Randall County Is Third in Entire State

Randall County won third place among the 254 counties of Texas in the most intensive and effective non-partisan county wide vote in the general election of last November.

Randall county cast 6211 votes in the general election. Of this number General Eisenhower received 4306 and Governor Stevenson received 1905. Eisenhower carried every voting box in Randall county by a good majority.

The two counties in Texas which nosed out Randall in the percentage column of votes cast were Roberts and Hartley, both of whom had far less votes to cast in the election, and both are from the Panhandle.

A complete national survey was released Monday by the American Heritage Foundation of New York City.

Gough Goes To Ft. Worth School On Dial Systems

Nearer and nearer draws the date that Canyon will have dial type telephones. Announcement was made early this week that one of the telephone company employees had gone to Ft. Worth to study the dial system. He is Bob "Pee-wee" Gough and his training period in Ft. Worth will be 13 weeks. He left Sunday and will be gone until sometime in May.

Many business men about town have long felt the need of the dial system and went so far as to voice their feelings last fall when the actual step toward this achievement was started. Although it has been announced by the telephone company that dial service will not begin until next fall, possibly November, this is only a few months away.

A considerable amount of work must be completed by the company before the dial system can be a reality. In most places the dial phones are already installed. This leaves the main portion of work to be done in the telephone office.

Bufs End Cage Season Monday Night at Tucson

West Texas State College basketball team has three more games to go before ending the 1953 season. Two of these games are set for this week-end.

Both of these games are with Arizona State Colleges. One is to be played in Flagstaff Friday night and the other is scheduled for Tempe and will be played Saturday night.

Final game of the season will be played Monday night, March 2, in Tucson, Arizona. In this encounter the Bufs will meet Arizona University. The Millermen met the Arizona U. squad here last Wednesday night and were defeated, 61-51.

The Wildcats of Arizona U. nosed out Texas Tech at Tucson Monday night to again take the lead in the Border Conference.

Miss Erdman Feted At Amarillo Dinner

The English department of West Texas State College held a farewell party for Miss Loula Grace Erdman, assistant professor of English, at Rice's in Amarillo. She is leaving March 2nd for New York.

After a business stay with publishers in New York, she will leave for Europe. Miss Erdman was given a double deck of bridge cards with a coronation emblem printed on them, as a suggestion of her trip abroad. While in Europe she will see the coronation of Queen Elizabeth.

Dr. Hyden Opens Office in Canyon

Dr. J. M. Hyden was here Saturday to open his new offices in the Stevenson Building on the west side of the square.

Dr. Hyden is coming to Canyon regularly in order to be of service to local people who have been forced in the past to have their eyes examined and to experience long waits in the office of Amarillo doctors.

A number of his Canyon patients met Dr. Hyden when he made his first trip to Canyon on Saturday.

Dollar Day . . .

The March Dollar Day will be held in Canyon Friday, March 5th. Come to the bargain feast!

H. G. Koch of Happy Funeral Is Held Today

Funeral services for Herman George Koch will be held this afternoon at 2 o'clock at the Church of Christ in Happy.

Earl L. Craig of Canyon and Curtis Camp, minister of the San Jacinto Church of Christ, will officiate.

Mr. Koch suffered a heart attack Monday morning and was brought to the Neblett Hospital where he died. He was 74 years of age, and was retired. He was born in Illinois, but had lived in Happy for 43 years.

Among the survivors are the widow, Mrs. Anna Koch; one son, James Koch of Fritch; two daughters, Mrs. Margaret Louise Myers and Mrs. Catherine Ratjen, both of Amarillo.

School Cost Less Than Baby-Sitter

"Your child's education in the Texas public schools costs less than the hourly rate charged by the youngest baby-sitters," said Charles H. Tennyson, executive secretary of the Texas State Teachers Association recently.

"A lot of people talk about the high cost of education," Tennyson said. "Actually, during the 1951-52 school year, the cost per classroom hour for each child was only 21 cents.

Figures for the 1951-52 school year the latest available. Total public school costs for that year were \$318,963,078, according to figures compiled by the Texas Education Agency. Average daily attendance was 1,213,000. Dividing that figure into the total cost shows that \$262 was spent last year for each child.

Dividing \$262 by 180, the number of school days, gives a cost per day of \$1.45. This divided by seven, the number of hours in a school day, gives an individual per hour cost of 21 cents.

Stork Specials

Dr. and Mrs. Leo S. Duflof of Galveston are the parents of a baby girl. The baby arrived February 27 and weighed 7 lbs. 12 ozs. Dr. Duflof is presently connected with the medical school in Galveston. Before going to Galveston several years ago Dr. Duflof was practicing medicine with Dr. R. P. Jarrett here.

Fellowship Meeting Held in Perryton

The World Fellowship Meet of the Texas Panhandle was held in Perryton last week. This fellowship meet consists of high school young people of the First Christian Church of the Texas Panhandle.

There were class periods and the showing of several films on subjects under discussion.

Canyon young people who attended were Jack and Jerry Mat-sler, Lilamay Hunter, Nancy Fae Root, Diane Prichard, Charlotte Crain, Reva Clay, Louise Hunter, Anne Barnhill, and Rev. Win R. Matsler.

4-H LEADERS DIRECT SOCIAL

Friday, February 20, the Trigg and Soncy communities combined for a free community game night at Bushland school house.

Junior 4-H leaders, Alby Ann Kuehler, George Kuehler, and Gordon Oglesby planned and sponsored this social as a project.

During the evening "42" and Canasta were enjoyed by the adults while the children participated in organized games.

Refreshments of pie with coffee or hot chocolate were served to the 32 guests present.

Mrs. Lillie Foster visited Friday and Saturday with her sister in Paradise, Texas.

Cummings Is Named Auditor Randall County

E. T. CUMMINGS

Judge Henry S. Bishop has named E. T. Cummings as the County Auditor of Randall county under the provisions of the law. The announcement of the appointment was made Thursday by Judge Bishop.

Under the provision of the law, the county must employ a county auditor when the taxable valuation has reached \$15,000,000. The taxable valuation of Randall county has reached \$15,760,920.

Mr. Cummings has audited the county's books for several years. He recently passed the state examinations for CPA.

The law provides that the County Auditor shall set up a set of records, listing all assets of the county, and making a quarterly report on the finances of the county. He audits all bills which are presented to the county for payment. In many counties of Texas the county auditor is also purchasing agent for the county.

The salary set by Judge Bishop for the new position is \$4,500 per year for the coming two year term. An office in the court house will be provided for the auditor, with a complete set of books for records of the county's business.

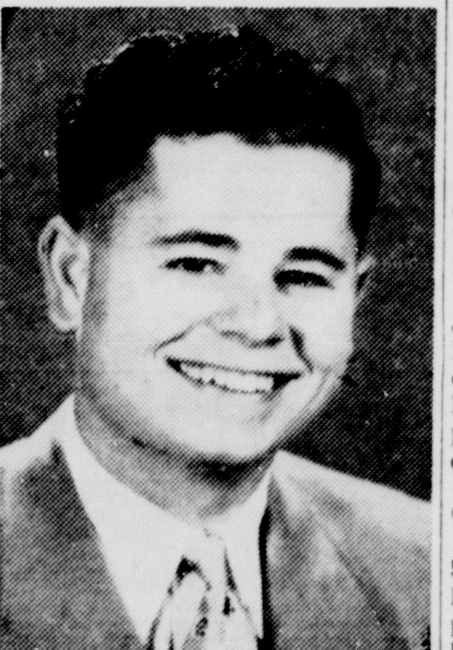

Postpone Opening Masquer Production

"The Young and Fair," a three-act play to be presented at the Branding Iron Theatre, has been postponed until March 17 and 18. W. A. Moore, assistant professor of speech at West Texas State, made the announcement early this week.

The play, which was originally scheduled to be given next week, has met with a number of difficulties. Mr. Moore said some of the difficulties which delayed the production were casting, illness, bad weather, and other business affairs that must be taken care of.

The play has an all girl cast of 21. The action takes place on a college campus when a former student and graduate of the college returns with her young, idealistic sister.

Church Announces Revival Opening

REV. JIMMY RIDDLESBURGER

The Pentecostal Holiness Church will begin a revival Sunday. Evangelist, Rev. Jimmy Riddlesburger of Fredrick, Oklahoma, will conduct the services.

Reverend Riddlesburger is an outstanding young man and a very dynamic speaker, say those who have heard him.

The church extends a cordial invitation to the public to attend all services. Services begin each evening at 7:30 o'clock.

Mr. and Mrs. Curtis Lehnick and son visited the J. B. Fives in Groom Sunday.

Sheriff Advises Destroy All '52 License Plates

There is a full month's time before the 1952 automobile license plates expire.

The new 1953 license plates may be placed on cars as soon as purchased.

Sheriff L. S. Johnston states that criminals are making a racket of getting '52 license plates for their cars, and driving them when on robbery jobs. In this manner these fellows are likely not to be caught up with by peace officers.

"Mutilate the plates, and make them unusable as soon as the new '53 plates are placed on the cars" is the good advice of Sheriff Johnston.

Red Cross Drive Starts Next Week

The 1953 Red Cross Fund Drive opens next week and the drive chairman, Truett McGregor, already has his teams lined up and ready to go to work. This year the Red Cross quota for this county is twice the amount it was last year. Several factors have contributed to this increase. One is the gamma globulin program to alleviate polio. Another is the disastrous floods in Europe.

A serum is being developed for the prevention of polio but will probably take some time to perfect. While the serum is being perfected the Red Cross is carrying on the gamma globulin program.

Mr. Winston Wilbanks is one of McGregor's group captains and the women working with her are Mrs. J. P. Taylor, Mrs. Rex Reeves, Mrs. Fred M. Standley, Mrs. Lloyd McAtee, Mrs. D. C. Gamble, Mrs. W. B. Colwell, Mrs. J. D. Barker, Mrs. Robert Manning, Mrs. Levi Cole, Mrs. W. R. Crow, Mrs. R. O. Oldham, Mrs. Ross Craig, Mrs. Gene Root, and Mrs. J. L. Markham.

Other group captains are Dr. Ples Harper, Dr. J. L. Russell, Bill Wilson, Mrs. Albert Linger, Marion Higdon, John Robinson, Mrs. Ray Cole, and W. E. Miller.

Workers in the current campaign are Mrs. R. V. Dawdy, J. W. Shook, Mrs. Laura SoRelle, W. F. Haggard, Mrs. Irving SoRelle, Sr., Miss Ruth Cross, Miss Elizabeth Jacobs, Dr. Jack Walker, J. C. Jackson, Mrs. Rae M. Walters, Mrs. Ray Slagle, Mrs. Jeff Wallace, Mrs. Tommie Pierce, Mrs. K. E. Frieze, Mrs. Ted Reid, Mrs. Leonard Winters.

And Mrs. John McBride, Mrs. Bill Money, Mrs. Jack Barnard, Tom Langston, Mrs. Dudley Bayne, Mrs. R. C. Campsey, Mrs. Ray Hawkins, Mrs. T. L. Devin, Mrs. J. L. Berkley, Mrs. M. R. Callihan, Mrs. Donald Iverson, Mrs. A. B. Holt, Mrs. E. L. Hardaway, Mrs. Dennis Lyle, Mrs. Bernard Warren.

And Mrs. W. J. Wooten, Mrs. H. C. Dawson, Mrs. Louie Davis, Mrs. Letha Lehnick, Mrs. Ruth Hill, Mrs. Lonnie Byars, Mrs. Claude Moore, Mrs. W. E. Elkins, Mrs. Gene Peppard, and Mrs. W. E. Miller.

Rural workers have also been named. They are Herbert Kuhlman, Palo Duro district; Frank Gruner, Zita; Arley Barnett Stone; Vincent Friemel, Rt. 1, Canyon; Joach Byrd, Rt. 2, Happy; Conway Kuykendall, Ralph; Louis Wieck, Umberger; and Tom Gooch, southwestern Randall County.

4-H CLUB ORGANIZED

The Armstrong County Agent, Foster Whaley, was at Wayside one day last week organizing a boys' 4-H club. Officers elected are Jimmie Adams, president; Ben Gillham, vice-president; Darrel Watson, secretary-treasurer, and David Hill, reporter.

Other members of the club are John Gillham, Jimmy Schrib, Leslie Adams, Gayle Watson, Bill Bettill, Elvin Scroggins, and Robert Kennedy. Some of these boys are planning some demonstrations on cotton and maize.

CUB SCOUTS DEN 5 REPORT

At the regular meeting of Den 5 Scouts in the home of Mrs. John Robinson Monday, the boys made platings for the banquet to be held Friday, February 27.

Mrs. Loyd Prichard furnished cookies and bubble gum for refreshments.

Those present were Bob Watts, Pat Watts, Joe Carol Robinson, Dickie Campsey, Elmer A. Oberst, Elo Myers, Richard Green, Bobby Bellah, Dwayne Prichard, George Prichard, and Tommy Joe Platt.

NEW OFFICE LOCATION

Dr. J. L. Markham, veterinarian, wishes to announce the new residence of his office located at 1901 Fifth Avenue.

Mr. and Mrs. Joe Russell of Amarillo visited Mr. Russell's sister, Mrs. Leatha Lehnick, Sunday.

Good Prices Are Paid For Stock Offered by Club Boys

Charles Conatser showed the Grand Champion steer Saturday at the Randall County Junior Livestock Show. The Grand Champion steer, the Reserve Champion Steer, and the Grand Champion swine all were purchased by the Interstate Elevators of Amarillo. Conatser, a Canyon boy, received \$1.00 per pound for his steer.

The Reserve Champion steer was shown by Larry Porter, another Canyon boy. Porter's steer brought 57.5 cents per pound. Tommy Myers, Canyon, had the Grand Champion pig which Interstate Elevators purchased for 65 cents per pound. The Reserve Champion pig, shown by Lowell Hill of Canyon, was sold to Cole & Moore of Canyon for 65 cents per pound.

Grand Champ!

Charles Conatser holds his Grand Champion steer in the auction ring at Saturday's sale of the Randall County Junior Livestock Show. The two boys shown with him are representatives of the Interstate Elevators of Amarillo. The Interstate Elevators bought the Grand Champion for \$1.00 per pound.

Bettie Graham Back To School Following Car Accident Friday

Misses Mabel and Bettie Graham, daughters of Mr. and Mrs. Walter Graham, were in a car wreck Friday night which wrecked their car, and sent Bettie to the hospital for four days. She was able to return to Baylor University Thursday where she is a student.

The two girls were on their way home from Waco in Miss Mabel's car. Near Guthrie the dust was so heavy that they could scarcely see. An oncoming truck with bright lights blinded them. They were upon a car with no tail lights before they realized that a wreck was at hand. Miss Mabel, who was driving, took to the bar ditch, hitting a deep cut caused by previous rains. The car overturned, pinning Bettie under the wreckage. The car caught fire, and only the quick work of the trucker saved her from the flames. The car was a total wreck.

Mr. and Mrs. Graham were called to the scene and brought their daughter to the Neblett Hospital by ambulance. She was under observation until it was found that no bones were broken.

Miss Mabel returned to Waco where she will enter nurse's training on March 1st, and Mrs. Graham took Bettie back to college Thursday afternoon.

American Legion 35th Anniversary Supper Is Monday

Lee Roy Moreland, commander of the local American Legion post, announced Monday that the Legion members and the Auxiliary would have a birthday supper Monday evening, March 2. The affair is to be conducted at the American Legion Hall at 7 o'clock Monday evening.

Moreland said the Legion members and the Auxiliary members were urged to attend. He also said a special invitation was extended to the veterans of the Korean conflict.

The birthday supper is honoring the 35th anniversary of the local American Legion post. Moreland pointed out that this 35th anniversary did not occur until March 15. Monday is a regular meeting night and by having the supper then there can be no interruption of other plans. The commander also said the food would be supplied by the American Legion.

Action on Radio Station Postponed

The Commissioners Court and City Commission had another meeting Monday to discuss the possibility of establishing a radio station in Canyon for fire and police protection.

Action on the part of the Commissioners Court was postponed until March 9.

Light Snow Fell Here Monday Night

There was a light snow in Canyon Monday night, following a light mist early in the evening.

The weatherman predicts a possibility of moisture Friday, but none will fall before, according to his guess.

Last of 18 Cars of Hay Shipped Here

Randall county cattlemen received the last of 18 cars of hay which were shipped to the county under drouth provisions set up by the federal government.

All but three car loads were good hay, states W. H. Upchurch, who was in charge of distribution of the hay to cattlemen.

This is all of the hay that will be shipped to Canyon under the drouth provisions. The three cars which were of rather inferior quality and were below standard in baling taking much longer time to unload and handle, stated Mr. Upchurch.

There is still a considerable amount of feed coming to Canyon, brought here by truckers, but the price is higher than the hay which was shipped here under the drouth program.

Public School Week Will Start March 1 Continue for Week

Public School Week will be observed in the Canyon schools, according to J. E. Miller, high school principal. Brief articles have been prepared for presentation to the students each morning. Due to examinations, this will be the extent of the program.

Parents of children in the grade schools are asked to visit the rooms of their children during the week.

West Texas Elementary School in the Education building will have an interesting assembly program dedicated to Public School Week.

Five Year Lease Is Taken on Building

Frank Hicks has taken a five year lease on the building on the east side of the square and is having it completely remodeled for the location of the Chuckwagon Cafe.

The building has had a new roof and new floor, together with repainting since Mr. Hicks secured the lease. He hopes to open the business in the near future.

A private dining room, which will seat about 50 persons, has been cut off of the main cage room and kitchen.

Jury Failed Agree In Robbery Case

The trial jury in the case against Lynn Couch failed to agree and was dismissed yesterday by Judge Henry S. Bishop.

Couch was charged with the robbery and beating of two airmen in north Randall county in September. One of the young men in the case was convicted and given five years, while a third has not been tried.

EDITORIAL COMMENTS

A Few Observations As
The Days Roll By . . .

We see that the correspondents turned out in mass to interview the President. They were hopeful of springing some surprise questions on him, no doubt. Washington correspondents are in the habit of embarrassing the President, no matter whom he may be, by leading questions.

President Eisenhower turned the tables on the correspondents. He told them that he had just 30 minutes to devote to his press conference, and started to talk about the things which were nearest to his heart. With only 13 minutes left he stated that questions were in order. Naturally there was time for only a limited number of such questions, and he consumed most of these remaining minutes to enlarging upon topics which he had already discussed.

The press conference was entirely different than the ones held by Roosevelt and Truman.

FDR was a master of rhetoric and could easily handle any situation.

Truman got mad or shrugged off questions with "No comments."

There is nothing in the law to provide for such conferences. Being a leader of men, Eisenhower no doubt will feel more at home when his next press gathering is held.

The meeting of President Eisenhower and Adlai Stevenson was most cordial. After all, it was Democratic votes which elected Eisenhower and he knows it.

Perhaps Stevenson realizes that it was the Truman mismanagement of public affairs which defeated the Governor of Illinois in his race for the presidency.

With the former Veep speaking in Kentucky and over the radio on the life and work of Lincoln; the close friendly chats between Eisenhower and Stevenson in Washington; and the declaration of Senator Lyndon Johnson and Senator Price Daniel, party lines are more and more being wiped out—except at election time.

It is gratifying to all Americans that the time has come when men can sit down together and discuss problems which will be of benefit to the nation, rather than squabble over who is a Democrat and who is a Republican.

Wonder who can tell the difference between the two parties under ordinary conditions?

There is a difference of opinion as to taxes and the budget.

GOP leaders who demand a reduction in taxes right now, will run head-on into the opinion of President Eisenhower, who says that the budget must be balanced before there can be a reduction in taxes.

The Truman budget has been kicked out of the window. Congress will not pass any such foolish budget as prepared for them by the former President, just before he went out of office. He was hopeful of getting through in appropriations the so-called social frills which Congress has turned down by direct legislation.

While all citizens want and have need for tax reductions, let it be remembered that there can be no tax reductions so long as we operate in the red.

We cannot run our homes; our businesses; our city; our schools; our country; or our state through deficit spending. The same is true of our federal government.

In this 1953 it is more important that the nation shall start on a healthy budget, with a reduction of the national debt than it is that we cut taxes a small amount.

We believe that most people will agree with the President in his stand.

In case you find a mistake in this paper, please consider it was put there for a purpose. We publish something for everyone, and some folks are always looking for mistakes.

Inspect, or not to inspect: That seems to be the burning problem down at Austin.

The lawmakers passed a bill in its last session causing all cars in Texas to pass inspection. The boys in the legislature did not realize what a big job they were imposing upon the inspection stations. The job could not be finished on time, so the law was revised by decree, and the effective date was postponed. Now a bunch of legislators want the law repealed.

When the law was proposed, it was thought that the old wrecks on the highways were the cause of a majority of the accidents. It was soon revealed that fast driving was the major cause for accidents.

Yet keep in mind the fact that for some reason or other, in spite of an increased 9 percent use of the highways last year, the death rate was reduced by 54 percent.

Those who argue for continued inspection have the best of the argument.

This wind!
Nuf sed!

The race hoss boys got a terrible fall.

You know, after all, breeding of fine horses in Texas does not always lead to gambling on the ponies. But it sure helps.

How do you prefer your horse meat?

With all of the good beef on the market, just why should any one try to pan off this inferior meat on the public?

When you buy meat in Canyon of Canyon merchants you are assured of the best, with only pure beef in the package which you buy for beef and pay for as beef.

If you think that advertisers are just a little touched in the head, read this: The Federal Trade Commission reviewed 639,096 advertisements during the year ending on June 30, 1952. This commission found that less than 3% had misleading statements in any portion of their advertisements.

Just keep in mind the fact that business firms who expect to be in business tomorrow, or next year, must be honest in their statements to the public.

And furthermore, every business firm which hopes to continue long in business must advertise its wares.

There is considerable speculation in Canyon over the movement to secure free mail delivery service in Canyon. We know that this appeals to a lot of

folks who do not get much mail, but on the whole we wouldn't give the snap of your little finger for this service.

While Uncle Sam is trying to reduce overhead expenses, and the postal service is notoriously in debt all the time, here we have this branch of the service trying to increase expenses in Canyon.

Don't become incensed over these remarks. If you want the service, you are pretty apt to get it. We are not going to do one thing to stop you. But we shall continue going to the post office after our mail—and enjoy the exercise.

Privately we are of the opinion that the legislature was right in killing a bill which would provide a five day per week for banks.

We are not angry with banks or bankers for wishing a shorter week for work. But the idea struck us that this is an attempt to further regulate hours for work which is entirely useless and unnecessary.

When the time comes that the state can tell people of any business or industry just how many days per week they may work, we are inclined to believe that something is dead up the creek.

This idea of regulating everyone and everything started a few years ago. Now practically all professional men are refused the right to advertise. Some of these days there will arise a new generation of sensible folks who will kick out these regulatory theories.

Just where does the public official's obligation to the people begin and end?

Uncle Sam takes it for granted that every person should know just what he should do, and ask no questions.

The State of Texas sets up certain rules and regulations for the people to observe. The State does not expect less than ready observation.

The County and City government is a little closer to the people, and therefore the official who takes the position that the people who do not observe the regulations of the county or state should know better.

This is a bad policy. The small cost of bringing the government to the people through the medium of the newspaper will be justified in the long run by officials who believe that they are not infallible or indispensable to the public.

Rather than having so much law from Austin and Washington, the laws which are brought to the people are more likely to be in favor with the public.

A letter was received which has a great deal of truth. Since it was unsigned, *The Canyon News* will not publish it. But rather than being abusive, the letter raised the question: If there are so many people who object to liquor advertising, why are so many drinkers numbered among the church people?

Several years ago we heard a very able citizen of Canyon declare: "When church members quit patronizing the bootleggers and going on the bonds of those who are arrested, we shall soon be able to wipe out the liquor traffic."

Those who drink liquor are prone to think that they are being abused because a certain part of the citizenship object to seeing liquor ads in newspapers, magazines and hearing of liquor on the radio. Now television will bring the message of drink.

We are not defending the right of any person to drink; or the liquor dealers who advertise the poison; but we do hold to the theory that those who object to the action of certain wet-drys is well founded.

Since we never touch the stuff and are afraid of liquor in any form, we cannot be sympathetic with those who drink or get drunk. We are just a little fearful that the letter carries a great deal of truth. But we are not going to be classified as a prude, because we object; or a witch burner because we will fight for the rights of the dries.

Just so they do not abolish our old radio, we shall not get excited about these TV programs; the third dimension picture shows; or any of the other new fangled means of communication. We are advised the radio programs shall continue, but in rather modified form as TV improves.

This is a new world. A lot of changes have taken place. Do not try to stop the wheels of progress or you are likely to be ground up into very small bits.

We are not worried about the newspapers as the result of TV coming. The newspapers have improved and are better and bigger and stronger than they were a few years ago when the radio came.

We are not whistling in the dark about our business. It has never been killed off by any of these new inventions, as we have read so many times that we were just about to be sunk.

As a mere lad, President Eisenhower learned the power of prayer. Since that day he has relied on prayer.

He prayed for assistance in the hour of his greater personal triumph, when he was inaugurated President.

He opened his first cabinet meeting with prayer. This is recorded as the first cabinet meeting ever to be opened with prayer.

A praying President will never lead the nation astray!

A member of the French Chamber of Deputies, from Africa, has been absent for three years, and one reporter suspects he has been eaten by his constituents, which isn't a bad custom.

Something is wrong in a society when the average citizen can't afford the best medical care for his family—even if he sacrifices everything to do it.

What most workers need, despite their protests, is somebody to sit over them and make them work. This applies to newspaper editors too.

Personally, we sometimes wonder how birds navigate to South America, and back to the same yard, year after year, which they do.

No newspaper has enough informers to get every bit of news in a community; therefore tip us off when we miss something.

Despite all the advances in knowledge, the weather forecaster still doesn't know why he gets crossed up so often.

The theory of the law is fine but in practice the profession has been soiled with dollar marks.

By VERN SANFORD
Texas Press Association

AUSTIN, Tex.—Are Texas teachers going to get more money?

The answer is maybe so. A bill to give them \$600 per year pay increases is now in legislative process.

The bill, by Senator A. M. Aikin, Jr., of Paris, easily passed its first test. The senate education committee approved it unanimously and moved it along to the senate floor.

Teachers jammed the senate chamber for the committee hearing.

Senator Aikin said the bill, if passed, would cost the state 32 to 35 million dollars a year.

Those speaking for the bill included R. L. Proffer of Denton, former state senator and now president of the Texas State Teachers Association; Willie Kocurek, businessman and member of the Austin school board; and Mrs. Rae Files Still of Waxahachie, teacher and former member of the House of Representatives.

There were no witnesses against the bill.

If the Aikin bill passes, where will the money come from to pay the teachers?

Governor Allan Shivers, who just finished a series of articles last week about teachers' pay, suggested the following solution:

"1. Transfer part of the available school fund, which goes to all districts on a strict per capita basis regardless of need, over to the Gilmer-Aikin minimum foundation fund, which guarantees a decent standard to the less prosperous schools, and

"2. Return to the original proposition of one local dollar for every three state dollars of Gilmer-Aikin support."

Not only public school teachers, but also those in colleges and universities, are also presenting their arguments for more money.

Dr. Logan Wilson, new president of the University of Texas, said in a speech that "salary-wise, this institution ranks at or near the bottom of the list of members of the Association of American Universities, and I think the citizenry and their elected representatives must be aroused to make concrete improvements."

Another bill passed out of committee is one that regulates optometry. This one is highly controversial and kept the House Public Health Committee in session until well after midnight.

The bill, sponsored by the Texas Optometric Association, was supported at the hearing by Dr. Ira Woods of Littlefield, a member of the State Board of Optometry Examiners, who said "There is a racket in eye glasses which we want to eliminate." He added:

"There is a minority of optometrists . . . who don't recognize professional standards and use unscrupulous means of advertising. Then, there is a large octopus of chain store optometrists in Texas."

Strongly opposing the bill was Dr. N. J. Rogers of Beaumont, who contended that "The people of Texas will be paying higher prices for glasses if this bill passes."

Dr. Rogers, operating under the name of the Texas State Optical Company, has 24 shops. Speaking against any restriction on advertising, he said "if any man can show me how a window display or a neon sign reduces visual care in Texas, I'm for the bill." Rogers labeled the bill as strictly an anti-advertising measure designed to stifle competition and drive his firm and many others out of business.

like law, medicine, or dentistry, in the opinion of Dr. Roberts. It is rather, he says, a semi-profession, in that it entails both eye examination and selling glasses. He pointed out that "all optometrists have to pass the same examination before they can be licensed to practice."

The House has passed a bill by Representative Bill Daniel of Liberty to construct two new state buildings in Austin.

The state now owns the necessary land, which is just south of the capitol. One building would be for the courts, the other for state offices.

The state at present rents a considerable amount of office space, and the rent could be applied on payment for the new buildings.

Twice before, the House has passed this measure, which on both occasions was killed in the Senate.

Texas eyes turned to Washington again as Governor Shivers went there seeking to get the tidelands returned to the state.

The governor's visit was prior to hearings on tidelands legislation before the Senate interior committee and the House judiciary committee.

"I hope legislation will be passed disposing of the overall tidelands question," Shivers said.

Col. Homer Garrison, director of the Texas Department of Public Safety, wants the Legislature to give him 130 more patrolmen and to restore the narcotics division of six agents.

"We can't police Texas with six men," Garrison admitted, "but we can pinpoint cases. And we can get results." The narcotics division has not functioned since 1939, when the last appropriation for it was made.

The additional patrolmen would give Texas a total of 600, Garrison said, which is only about half the number set by various formulae. California has 1,800.

The State Parks Board is fighting for authority to install additional cabins at Inks Lake, Possum Kingdom, and Lake Texoma.

A bill by Representative Jack Fisk prohibits the board from issuing bonds to construct lodges consisting of more than 12 units. The House State Affairs committee has reported the bill favorably.

A group of motor court operators is supporting the Fisk bill and contending that it is "socialistic" for the state to have lodges in its parks.

The parks board retorted that "private capital will build the structures, private hotel companies will own the furnishings and pay taxes on them. The private operators will make payments to the state in lieu of rent and taxes on the buildings and land that will far surpass any amounts that taxes could amount to."

Passed by the Senate was a bill appropriating \$3,225,000 for new state tuberculosis hospitals at San Antonio and Harlingen. . . . Two Plays Given For Club Women

Club women from five cities were entertained Thursday at West Texas State College when two Buffalo Masquers one-act plays were presented for them in the Branding Iron Theatre.

Members attending productions of "The Long Goodbye" and "Suppressed Desire" were from the Calliopean Club in Hereford, the Browning Club in Plainview, the Paragon Club of Borger, officers of the Lubbock Little Theater, and the director and officers of the Amarillo Little Theater.

The group included Mrs. Eloise Gibson, charter member of the Amarillo Little Theater, now of Palo Alto, Calif. Mrs. Gibson has returned to Amarillo to be guest star in "The Ship," opening show of the theater's 26th season.

A coffee hour and recreation followed presentation of the two plays, which began at 3 p. m., according to W. A. Moore, director.

Kimbrough-Oliver Wedding Read in Episcopal Church

MRS. GEORGE SANDERS OLIVER

In a candlelight ceremony Saturday evening at St. Andrews Episcopal Church in Amarillo, Mary Beth Kimbrough, daughter of Mr. and Mrs. Frank Kimbrough, became the bride of Lt. George Sanders Oliver, son of Mr. and Mrs. W. T. Oliver, 3211 Hayden, Amarillo. The impressive double-ring service was read by Bishop George H. Quarterman, assisted by Dr. Smythe H. Lindsay, rector.

Preceding the exchange of vows, Miss Nellie Erhard, organist, played "Cantabile" by Franck, "Lord Jesus, I Call on Thee" by Bach and "When Thou Art Near" by Bach. Glenn Wade Dowlen of Canyon sang "O Perfect Love" by Barnby. The traditional wedding marches were played for the processional and recessional.

Aisle candlesticks were decorated with garlands of majestic daisies and plumose fern. Arrangements of white gladioli and daisies were used in the altar urns. Acolytes for the service were Frank Kimbrough, Jr., brother of the bride, and Charles Joyner.

Attending the bride were Mrs. Tom J. Bergin of Gruver as brides-matron and Miss Ann Herderson of Waco as bridesmaid. They wore identical dresses of spring-green slipper satin, styled with long torso bodices and ballerina length skirts. Their handmade hats and gloves were of matching satin and they carried arm bouquets of American Beauty roses, daffodils, and Majestic daisies.

The matron-of-honor, Mrs. Walter Shelby Van Cleave of Shreveport, La., wore a gown of gold slipper satin, styled identically to the other attendants' dresses. Her hat and gloves were of matching satin and she carried an arm bouquet of American Beauty roses.

As maid-of-honor, Miss Mary Jim Vincent of Amarillo wore a ballerina length dress of American beauty slipper satin, styled with

a high neckline and long sleeves. The long torso bodice ended in exaggerated petal points at the hips, from which the full skirt fell in graceful folds. Her gloves were of matching satin and her head-hugging hat carried out the petal point theme of her dress. She carried an arm bouquet of daffodils.

The flower girls, Jan and Jill, twin daughters of Mr. and Mrs. Clark Jarnagin of Canyon, wore frocks of delicate yellow silk taffeta, fashioned with puffed sleeves and tiered skirts sprinkled with red velvet forget-me-nots. The scoop necklines had small round collars. Their mitts and bonnets were of yellow taffeta and they carried baskets of rose petals.

Lt. James C. Donovan of Fort Leonard Wood, Mo., was best man. Serving as ushers were Lt. George Lear, Lt. Roy Taylor, and Lt. Jim Bourne, all from Fort Leonard Wood.

Entering on the arm of her father, who gave her in marriage, the bride was attired in an original gown of white Italian velvet. The long torso line of the bodice was rounded and finished in white slipper satin, as was the heart-shaped neckline, which was outlined in seed pearls. Long fitted sleeves terminated in petal points over her hands and the enormously full skirt extended into a chapel length train, flowing from a point in the front.

Her veil of imported illusion

fell in scallops from a pill box hat of white satin accented with seed pearl trim. For something old, she wore an antique perfume bottle of white enamel, which belonged to her maternal great-grandmother, attached to a ribbon of white velvet twined with pearls, which were a gift from the bridegroom. For something borrowed, she carried a handkerchief of Chantilly lace. In her shoe was the traditional good luck coin, a threepence which the bride obtained while in London this past summer. On her white prayer book was a spray of white orchids, lilies-of-the-valley and stephanotis.

Mrs. Kimbrough, mother of the bride, chose a champagne silk shantung dinner suit for her daughter's wedding. With this she wore a silver fox stole and hat and gloves of antique white brocade. Her corsage was a gold orchid.

The wedding dresses, hats and gloves of the bride, her mother, and all the attendants were created especially for the bride by Perry Lou of the Palo Duro Dress Shop.

Mrs. Oliver, mother of the bridegroom, wore a powder blue French lace gown with a hat of matching imported straw. Her accessories were gray and her corsage was an orchid.

Amarillo Country Club was the scene for the reception immediately following the ceremony. The bride's table was centered with an arrangement of white roses and a five-point candelabrum holding white tapers. Serving the tiered wedding cake were Mrs. Jack Kimbrough of Midland, aunt of the bride, and Mrs. Quentin Lewis of Amarillo, sister of the bridegroom. Mrs. Richard Rousey of Plainview, Godmother of the bride, ladled the champagne punch. Mrs. Cecil E. Massey of Hereford presided at the guest book.

Assisting in the house party were Mrs. Ernest Kimbrough, Mrs. Hugh Rathoff of Haskell, Mrs. Bill Kimbrough of Crosbyton, all aunts of the bride; Mrs. R. E. Henderson of Waco, Mrs. Walton Byrd of Canyon, Miss Jo Tucker of Abilene, and Mrs. Harold Lee Erwin of Amarillo. Organ music was played during the reception hours and for the dancing which followed by Walter M. Reneker.

For the wedding trip to Santa Fe and Taos, New Mexico, and the Broadmoor in Colorado Springs, the bride traveled in a two piece dress of antique, white brocade with matching shoes and bag. Her hat was of wild cherry balabunt and her elbow length gloves were handmade of matching wild cherry taffeta. The coat that completed the costume was off-white Stroock with jeweled collar and cuffs. Her corsage was a golden throated white orchid.

Mrs. Oliver was graduated from Waco High School and received her B. A. Degree from West Texas State College where she was a member of Gamma Phi, social sorority; Alpha Psi Omega, national dramatic fraternity; Buffalo Masquers; A Cappella Choir; mixed chorus; Treble Ensemble; served as Homecoming attendant and cheer leader. In 1951 she received an M. A. degree in drama from Baylor University, Waco, where she was director and general manager of the Baylor Theater Children's Playhouse. Last summer she studied art, history, and drama in Paris, France. Until January, she was affiliated with the Clovis, N. M., public school system.

Lieutenant Oliver was graduated from Canyon High School and, prior to his appointment to West Point, attended West Texas State College, where he was a member of Epsilon Beta fraternity. At

West Point he participated in intramural athletics and was a member of the cadet ski, pistol, skeet, and fishing clubs. He was appointed cadet sergeant in the U.S. Corps of Cadets in his first year. He was graduated with honors as a member of the top 10% of his class and with rank of number one man in military history. He served with the engineers in Korea where he received both bronze and silver stars.

The couple will reside at Fort Leonard Wood, Mo., where the bridegroom is stationed.

Out-of-town guests attending the wedding included Mrs. William M. Mask of Levelland, Mrs. George E. Nance of Brownville, Mr. and Mrs. Bounds Mask and Mr. and Mrs. Wayne Henley of Lubbock; Miss Kamelia Kleingsmith of Levelland; Richard Rousey, Mr. and Mrs. Bob Farmer, Miss Treba Chapin, and Mr. and Mrs. Bill Gidney of Plainview; Miss Pat Hodges of Lampasas; Dr. Ernest Kimbrough and Mr. and Mrs. John Kimbrough of Haskell.

Bill Kimbrough of Crosbyton; Mr. and Mrs. Marvin Vaughn and Nancy of Matador; Cecil Massey of Hereford; Miss Virginia Barner, Miss Buena Wiley and Miss Gleana Ziller of Clovis, N. M.; Mr. and Mrs. Harry Hager of Ada, Okla.; Mr. and Mrs. Cloy Donovan of Oklahoma City; Jim Donovan of Ft. Leonard Wood, Mo.; Mrs. Norma Beeker of Brownsville; Mr. and Mrs. Fred Williams of Sundown; T. J. Bergin of Gruver; Lt. W. S. Van Cleave of Shreveport, La.

Mr. and Mrs. W. T. Oliver and Mr. and Mrs. Quentin Lewis entertained the bridal party and out-of-town guests at a beautifully appointed rehearsal dinner on Friday evening in the Oak Room of the Amarillo Country Club.

On Saturday morning, Miss Kimbrough was hostess for a traditional bridal breakfast honoring her attendants at the Amarillo Club. At that time she presented to each attendant a gift of silver loop earrings.

MEMBER TELLS SISTER ABOUT DIN-R-BRIDGE CLUB MEETING

Dear Sis,

You left so hurriedly I never did get to finish the "Who's Who" in our little "DIN-R-BRIDGE" CLUB. (Sorry you didn't stay on a few more days, believe me, the dust and wind stopped as soon as you boarded the train and we are now having spring weather... even the snow has left... there may be a blizzard, however, between the time of this writing and publication! That's West Texas for you; it has taken me 20 months to get used to it, so I can see how bad it must have seemed to you in only four days. Know just how good those hills of Kentucky will look to you (hope Guy Harp, the postmaster, reads this.)

We were so glad you did get to join Saturday night at the Railroad's. Wasn't Virginia and Ray the perfect hosts? I know you would like them for they are a peach of a couple. You had met Edna Stoelzing the night before and her husband, Lewis, is the one who resembles Fred MacMurray. The real cute girl who sat next to you was Christine McGlasson and her better half was the lawyer, Gene. Do wish Jean and Borden Price could have been there all evening; you would have enjoyed them just as much as you did the others. The pretty blonde (who reminded you of June) was Laurel Ambrose and the man with the mustache, Holmes, was her mate.

H. R. and Thelma Fulton were the ones who have, in your words, "the pretty flower shop." M. D. Shepherd was your partner on that one go around you played, and the little brunette with the pretty white stole was his wife, Pat. Let's see now, does that make our eight couples... with Dudley and me, it does.

Now that you know all of them, will remind you again that it was the Ambrose's who was high for the evening and low prize was given to the Shepherd's. (How thoughtful of Virginia to give you a guest prize; yes, I'll tell her again how much you appreciated it.)

Gotta dash now and beat the deadline... this is like killing two birds with one letter 'cause I know you will be reading this on Friday when The News reaches Louisville.

Thanks again for your visit and plan your next visit when the dust has stopped... that will be next summer.

Love,
Doris
(Appointed reporter for D.R.B.C.)

BROWNIES TROOP 12 REPORT

The Brownies of Troop 12 met Monday for their regular meeting. Carolyn Ann Glasner, the president, called the meeting to order. The group elected a new secretary, Judith K. Wilson.

New pins and dangles were discussed. Plans were made for Easter gifts for the members' mothers. The meeting was closed with the singing of "Taps" and "The Golden Sun" and the saying of the Girl Scout Promise.

Mrs. S. E. Parker and daughter, Miss Bertha Parker, of Tucumcari, N. M., visited over the week-end in the home of their son and brother, J. O. Parker and family.

Vacation Spots And Directives Study Group Topic

Introducing a series of Study Group meetings for which the principal subject will be Vacation Spots and Areas and opportunities in the West and Southwest, the Study Group of the Canyon Parent-Teachers Association will meet in the film room in the basement of the college library for the next few meetings.

Thursday evening, February 26, at 8 o'clock, Mr. Wood, a representative of the Panhandle American Auto Association Club, will tell of services AAA has to offer to vacationist and all travelers. In his discussion he will use films furnished by the Santa Fe Railway Company on sports of the Southwest.

Meetings on Thursday, March; Monday, March 9; and Thursday, March 12, will be conducted by Miss Darthula Walker. Miss Walker, widely traveled instructor in geography at West Texas State, will use film and slides to illustrate each of her lectures which promises to be interesting whether or not one is planning a vacation soon.

All these programs will be held in the film room and will begin at 8:00 p. m.

PARK H. D. CLUB MEETS

The Park Home Demonstration Club met in the home of Mrs. G. A. Colling on Thursday. Roll call was answered with selected subjects for the year.

Mrs. Colling and Mrs. Flynn Winters had parts on the program which was on poems. Each club member then read her favorite poem.

Mrs. Less Raymond was elected to go to District meeting in Dumas on Friday, April 14. The club will have a bake sale at Cooper's Market April 4th.

The next meeting will be an all day meeting with Mrs. D. J. Maynard. Each member is asked to bring a covered dish for luncheon on that day.

Visitors present were Mesdames H. E. Ford, Owen Turpin, and Miss Jackie McCandless. Members present were Mesdames Oral Winenger, Maynard, L. W. Winters, Art McCandless, Less Raymond, Flynn Winters, Lou Hermesmeier, and the hostess.

Delicious refreshments of cherry tarts, tea and coffee were served at the social hour.

TEL CLASS GIVES SURPRISE PARTY FOR MRS. S. L. TERRY

Eighteen members of the TEL class of the First Baptist Church met February 20 in the home of Mrs. W. T. Henderson for a surprise birthday party honoring their teacher, Mrs. S. L. Terry.

Mrs. Terry was asked to read her favorite scripture for a devotional. Mrs. W. H. Harden led in prayer. Mrs. Henderson directed a short program.

Mrs. Terry was presented a lovely gift and a delicious birthday cake.

Dainty refreshments were served to Mesdames J. I. Payton, W. H. Harden, R. H. Long, C. W. Dunn, E. M. Cooke, H. Cook, G. C. Cole, J. H. Barrett, Roy N. Byrd, Sr., Silas Hart, R. E. Gill, R. C. Yarbrough, A. A. Whitfield, A. L. Watson, S. L. Terry, G. B. Heath, J. C. Dowd, members, and one guest, Mrs. C. I. Danner.

1925 BRIDGE CLUB MEETS IN FRANK R. PHILLIPS HOME

On Wednesday, February 18, Mrs. Frank R. Phillips was hostess to members of the 1925 Bridge Club.

Beautiful pot plants and cut flowers especially suited to this season were used to decorate the entertainment rooms.

At the social hour a delicious dessert course with coffee was served by the hostess to Mesdames Hatcher Brown, Melvin Callahan, Boone McClure, W. A. Warren, T. V. Crounse, Leonard Britt, J. D. Barker, Jerry Newman, Iverson Leake, J. J. Walker, Ray McReynolds, Glenn Dowlen, A. K. Knott, Milton Morris, Herschel Coffee, J. Madison Daugherty, and a tea hour guest, Mrs. Clark Harvey.

Mrs. John Williams was elected as a new member.

Local Lions Plan '53 Variety Show

Emmitt Smith, past president of the local Lions Club, said plans for the annual club show for 1953 were now underway. The former president of the club said this year's show would be a variety show laid around the versatile environment of a railroad station.

More of the details concerning the 1953 production will be made public in the near future. Two committees that are helping lay plans and get the show started are meeting this evening in the office of Dr. Houston Bright, at West Texas State College.

Mr. Smith said the setting of the railroad station had been selected because almost anything connected with show business could be logically and easily adapted to such a setting.

Proceeds of the show will go toward supplying glasses and helping the local schools check the vision of underprivileged children.

MRS. PLES HARPER SPEAKS TO MURRAY BIBLE CLASS

"Difficulty of Understanding Language was the topic Mrs. Ples Harper used as main speaker on a program at the meeting of the Murray Bible Class on Tuesday evening at the new home of Mrs. Floyd Moore.

Members and guests enjoyed a salad supper preceding the program. Hostesses for the occasion were Mesdames Leo Cooper, Leonard Britt, Joe Winstead, Tommie Pierce, Loyd Devin, Floyd Moore, and Miss Johnnie Courtney. All these members celebrated their birthday in February.

Other members present were Mesdames Marshall Rockwell, Alma Perkins, Alleene Leake, Flossie Johnston, Lowell Johnston, H. E. Campfield, W. G. Rose, E. Gidden, Gladys Haines, Gladdis Samples, J. O. Parker, Mutt Myers, T. V. Crounse, C. A. Murray, Levi Cole, Misses Belle Schramm, Elizabeth Cox, and Bessie Young. Special guests were Mesdames Lester Hill and Ples Harper.

HELEN HAYES IS PROGRAM TOPIC AT SUE HITE MEETING

Mrs. R. W. Raillard and Mrs. W. A. Miller served as hostesses to the Sue Hite Club on February 24 and met their guests at the entrance of the Museum Club Room and presented each with refreshments of ice cream cups to start off a very pleasant meeting.

Mrs. W. F. Haggard conducted the business meeting during which time plans for the Play Night were completed.

Mrs. Clay Cooper gave a delightful discussion on Helen Hayes, first lady of the stage.

Members present were Mesdames Strauss Atkinson, Frank Begert, John E. Bowden, Hatcher Brown, E. R. Cleavinger, Levi Cole, Cooper, T. V. Crounse, Haggard, Crews Henry, Virgil Henson, Robert P. Jarrett, Mitchell Jones, John Jennings, W. J. Lord, Boone McClure, Ralph McCormick, Gene McGlasson, Jr., W. A. Miller, W. E. Miller, W. A. Moore, J. O. Parker, Raillard, Rex Reeves, Burney Slack, Crannell Tolliver, A. L. Walsh, and R. D. Wheelock.

SUE HITE GAME NIGHT TICKETS NOW AVAILABLE

Tickets for Game Night at the Canyon High School cafeteria on March 17, at 7:30 p. m., are now available from any member of the Sue Hite Club.

For the club's one money making project of the year this Game Night is held annually to raise funds for the Randall County Library and Girl Scouts in Canyon. Tickets are 50 cents each. Make up your own party; come in couples; or come stag — just come and play the game of your choice — bridge, "42," Canasta, or dominoes.

Refreshments will be served at the conclusion of the games.

Buffalo Masquers Select Committees

Buffalo Masquer officers met Friday afternoon at 1 o'clock in the Branding Iron Theatre to name the club committees needed this spring. The officers appointed social, scrap book, and sign committees.

Members of the social committee are Bill Hunter, chairman; Annell Clay, Bonnie Hughes, Jerry Williams, Ruby Lee Voorhees, Bill Torbert, Curtis Tunnel, Bob McClendon, and Lynda and Joe Hooper.

Named to the scrapbook committee were Lynn Gupton chairman; Louise Zybach, Betty Boswell, Terry Holland, Jack Teague, Lurette Cook, Betty Robinson, Bill Welton, Mary Gunn, and Betty Jo Miller.

The officers selected Bobby Vandergriff as chairman of the sign committee. Those who will assist Bobby in the task of signs are Bill Creamer, Dick Houston, John Lee Welton, Betty Maddux, Pat Duzan, Rae June Jones, Carol Evans, Jett Mason, and Caudine Key.

The club hopes to have a social next month. No definite time has been set but present plans are to hold the social sometime near St. Patrick's Day.

RANDALL GIRLS 4-H CLUB

Saturday, February 21, at 2:30 o'clock in the afternoon the Randall County Girls 4-H Club met for their regular monthly meeting.

Doris Bourn gave an interesting report on the 1952 Talent Club Tour and also on her group's activities and discussions at Bastrop State Leadership Camp this past summer.

Slides of the State Dress Review at A&M College were shown. Doris Bourn was a participant of this district in this contest. Miss Lou Ella Patterson read comments of the judges on that particular dress as she showed each slide.

Each girl gave an individual report on her Junior Leadership work since the previous meeting.

Members present were Mary Janssen, Bernice Grabber, Betty Hoffman, Doris Bourn, Betty Burrus, Annette Meyer, Helene Meyer, and Alby Ann Kuehler.

Mrs. A. J. Lindeman, adult leader, and Miss Patterson were also in attendance.

No Accidents During Past Year Suffered by Construction Crew of Company

Truett Hull, local manager; Dick Ziegler, foreman; Newton Robison, Jr., of Amarillo, Division Safety Supervisor; members of the crew, Joe Crowley, Cecil O'Donald, Gabe Thompson, Lewel Johnston. Not pictured, Marcel Rhoads.

Local Crew Had No Accidents During Past Year

The construction crew of the Southwestern Public Service Company has been presented a "safety Medallion" as the result of having worked during the entire year of 1952 without a single accident involving the loss of time by any member of the crew.

Presentation of the Safety Medallion was recently made in Can-

yon by Newton Robison, Jr., of Amarillo, Division Safety Supervisor. Receiving the award was Dick Ziegler, foreman, together with members of his crew.

The record of safety was accomplished by the crew working with voltage from 110,000 to 115,000 in Canyon, Umbarger, and Happy in all kinds of weather, both day and night.

Safety meetings are held by the company twice a month during which various studies are made of first aid; artificial respiration, pole-top resuscitation; study of line and substation equipment and its operation; study of safety in storm; restoration methods; discussion of electric utility accidents; and other subjects.

The crew has completed the second month of its second year without a single accident.

POOR MAN STRIKES RICHES

Albuquerque, N. M. — Charlie Steen, 33-year-old geologist, who found a \$1,000,000 vein of uranium in southeastern Utah last July, admits he owed \$200 for groceries the day he struck it rich. Steen says that while they haven't even touched the top-grade supply yet, they are shipping out from 30 to 40 tons of ore a day, valued at about \$800 a ton.

DOLLAR FOR DOLLAR YOU CAN'T BEAT A

'53 Pontiac

A GENERAL MOTORS MASTERPIECE

Solid Choice of Solid Citizens!

In its distinctive beauty, its size and comfort, its interior luxury and its all-around performance, Pontiac ranks high among America's quality cars — yet it's priced just above the lowest!

Thus Pontiac has an almost irresistible appeal to people who find it wise to keep their automobile investment at a minimum — without sacrificing quality. It is this unique combination of goodness and price which makes Pontiac the solid

choice of those solid citizens who are money wise and quality conscious.

The reasons for this preference were never more obvious than in the 1953 Pontiac. But more important, it carries on Pontiac's tradition of long life and carefree, economical dependability.

Come in and see how this great new car offers wonderful proof that "Dollar for Dollar You Can't Beat a Pontiac."

DURING 1953, STOP SHOP AND SAVE

J. D. Thompson, representative of the Delta Sigma Phi fraternity, visited the business faculty and students Monday.

Lee Wesley and family of Lockney spent Saturday night and Sunday with his mother, Mrs. Maude Arnold.

R. E. Boyce of Pampa, formerly of Canyon, has been transferred to Panhandle as a foreman with Southwestern Public Service Co.

Mrs. Paul Cooke of Louisville, Kentucky, has recently visited in the home of her sister and family, Dr. and Mrs. Dudley Moore.

Rev. Hill Tells of Trips in Africa During World War II

Rev. Lester Hill spoke at the Rotary Club luncheon Tuesday telling of his trips made in Africa during World War II. He served as a Chaplain in the Army, stationed in the Gold Coast where he was given leaves to visit the missions in the interior of Africa.

There is an estimated population of 196 million people in Africa, and the continent is rich in diamonds and precious metals.

Because the white man has exploited the natives, there is much unrest among the natives. The hot spot of rebellion against the British is in northern and southern sections of Africa.

Mr. Hill brought back a number of souvenirs which he had on display at the club. The greatest handicap of the people is the fact that there are 800 dialects, and you can travel only 50 or 100 miles and the people can't understand each other.

Among the 1200 men he served as Chaplain in the army, there were 28 denominations represented. It was his pleasure to serve them all alike.

Captain George W. Rehn was introduced as a new member of the club.

Visitors were: Rex Gray, Clarence Wine, Joe C. Rogers, Guy Carlander, A. L. Overton, Van H. Allm, Joe J. Martin, Allen Early, Jr., Forrest Barnes, all of Amarillo.

Mrs. Coystal T. Stone and sons, Tabor and Mike, of Dumas, spent the week-end with her parents, Mr. and Mrs. Guy B. Tabor, and her sister, Mrs. James H. Scott, and sons.

Mrs. J. B. Morrisett of Lubbock visited friends in Canyon over the week-end.

THE OLD-TIME STOCK has replaced the iron cage in Shamrock as a means of punishment for those who fail to properly publicize St. Patrick's Day Celebration. Burl Golson, the city's amateur weatherman, whose grinning face you see sticking through the shamrock, was one of the first victims.

The stock is set up each Saturday afternoon at the corner of Main and Second Streets, and those unpatriotic gentlemen who fail to wear green hats in preparation of the big March 17 Irish Party find themselves victims of a vicious court. The only alternative is to have your face decorated with a donegal.

Jack Burrow of Amarillo and J. Richard Courtley of Chicago, from the Commerce Clearing Office visited the business faculty and students, showing pictures illustrating income tax service, at the college.

Ruth Ann Roberts from Albuquerque visited in the home of Joy Gray over the week-end. Other visitors in the Gray home Saturday and Sunday were Patricia Gordway and Mr. and Mrs. J. D. Gray and Allen Roy.

Lt. and Mrs. Paul Davidson of Alexander, La., are visiting in the home of Mr. and Mrs. Jim Carter. Mrs. Davidson is a daughter of the Carters.

Week-end visitors in the home of Mr. and Mrs. O. B. Vaughan were their son, Mr. and Mrs. Kenneth Vaughan and family, of Clarendon.

Jack Frost went to Dallas Friday where he is visiting friends.

ZITA H. D. CLUB MEETS IN UPCHURCH HOME, AMARILLO

Mrs. J. P. Upchurch entertained members of the Zita Home Demonstration Club in her home at 3904 South Harrison in Amarillo on Tuesday, February 24.

Mrs. Donald Olson is candidate to council to be voted on as a delegate to the district home demonstration meeting in Dumas.

Mrs. M. H. Rockwell and Mrs. E. A. Michael gave the program on poems. All members read a favorite poem and told about the author.

Those present were Mesdames Ralph Ruthart, Forrest Gruner, Michael, Rockwell, Emil Olson, H. D. Rose, Wayland Angel, Bailie McCormick, the hostess, and one guest, Mrs. Kay Jackson.

Misses Sammie Pond, Marilyn White, Betty Campbell and Mrs. Sam Wiggins left last Wednesday for Harrison, Ark., to spend the week-end with Miss Pond's parents, Mr. and Mrs. C. H. Pond.

Joe Hill, Jr., (Joe Boy) of Columbus, Ohio, spent the week-end with his parents, Dr. and Mrs. J. A. Hill. Joe is Staff Engineer for Surface Combustion Corporation and directs the design of heating and ventilating systems for airplanes. He was on his way to Fort Worth where his company is installing a branch office.

Mrs. R. C. Helmich and daughter, Paula Ruth, of Spiro, Okla., visited in the home of her parents, Mr. and Mrs. J. C. Dowd, last week while her husband, Rev. Helmich, was assisting in a revival at Cotton Center. He came to Canyon Monday and they all returned to their home.

Mr. and Mrs. Earl Davis from Pilot Point visited in the home of their son and wife, Mr. and Mrs. E. E. Davis, over the week-end. Mr. and Mrs. B. B. Davis from Dallas also visited in the E. E. Davis home. B. B. and E. E. are brothers.

Mrs. Bob Priddy, who has been living in Baltimore, Maryland, arrived Monday to visit with her mother, Mrs. Grace McDougal, and family. She will be joined in Canyon by her husband at the close of the present basketball season.

Mr. and Mrs. M. B. Brown returned Sunday night from Plant City, Florida, with their grandson, Mike, who had been visiting there for several weeks.

Rev. Jim Pickens is home from Plains where his father, a Methodist pastor, was injured in the head last week as the result of a dynamite blast.

Mr. and Mrs. Carl Neighbors, of River Road, visited in the home of Mr. and Mrs. A. R. Morgan over the week-end.

Mr. and Mrs. E. I. Boyce of Midland have been visiting Mr. and Mrs. Bill Patke and daughter, Alberta Brown, Mr. and Mrs. John Smith and sons, all of Canyon, and with Mr. and Mrs. R. E. Boyce and children in Panhandle.

Mr. and Mrs. H. D. Curtis returned home last Wednesday after having visited with relatives in Lincoln Nebraska, and Oklahoma City, Oklahoma.

Mr. and Mrs. J. A. Woodfin of Snyder are visiting their daughter and family, Mr. and Mrs. Hud Prichard.

Hereford Defeats Eagles for District

The Canyon Eagles dropped their second conference game of the season to the Hereford Whitefaces at Friona Saturday night to end up as second best District 2-AA basketball team. It was the third game the two teams had played this season. Final score was 57-42.

Hereford nosed out the Eagles in the Hereford gym for their first game. The return game was played in the West Texas State fieldhouse and the Eagles took it.

Saturday night's game was close all the way with the Whitefaces pulling ahead in the final minutes of the last quarter.

The game closed out the season for the Eagles and sends Hereford to the play-off tournament in Lubbock this week-end. The first opposition for the Hereford quintet will be Brownfield of District 7-AA Friday night.

Red Cross Takes Active Part in Fight on Polio

Today the American Red Cross will turn over to the Office of Defense Mobilization 1,714,996 cc of gamma globulin. This will provide 245,000 average polio shots for national distribution by the mobilization office this summer for the prevention of paralysis from poliomyelitis.

The gamma globulin was the first consignment of the blood fraction which the Red Cross will provide the Office of Defense Mobilization under an agreement of last December when the program was inaugurated in the national interest. The Red Cross is collecting the blood for production into gamma globulin and is paying for the fractionation processing and packaging.

The Red Cross will continue to turn over to the Office of Defense Mobilization all supplies of gamma globulin as they come from the laboratories. Allocations of gamma globulin will be made solely by ODM. The final distribution of the product will be the responsibility of the state health officers, the Red Cross emphasized.

Gamma globulin will be available to families in every part of the United States this summer. State Health Departments will distribute it under a plan proposed by a special committee of the National Research Council.

The individual distribution problem is left solely up to the state health officer who will soon start getting supplies of it from the ODM.

In addition to poliomyelitis, gamma globulin is also of value in cases of measles and infectious hepatitis. At present the Red Cross is packaging an additional 2,000,000 cc of gamma globulin received in bulk form last week. The Red Cross emphasized that only through a wide citizen participation could the program be made successful.

School Week To Be Observed By Open House, Happy

Happy Public Schools will observe Public School Week, which has been declared March 2-6 in Texas, with a special program on March 6.

Special tours through the plant will be conducted 1:30 p. m. until 2:30 p. m. From 2:30 until 3:00, an assembly program will be presented in the auditorium by the music department.

Refreshments will be served to the patrons of the school beginning at 3:00 p. m.

According to Supt. Daniel R. Russ, all patrons of the school are asked to visit the school at any time, but especially requested to attend this special open house. All efforts will be directed to focus the attention of the patrons on the work of the school during Public School Week.

Careless Use of Medicine Causes Many Deaths

The careless or uninformed use of medicines cause much serious illness and even many deaths in Texas every year, Dr. Geo. W. Cox, State Health Officer, said today in a statement urging the public to use caution in self medication.

"It is never safe to take medicine in the dark," Dr. Cox warned. "Always read the label carefully to make sure the aspirin you expect to take is not a bichloride of mercury tablet or some other poison. As a matter of fact, poisons and medicines containing poisons should be kept together, well out of reach of children and marked in some distinctive manner. Another thing to remember is that medicines should always be taken exactly as directed by a doctor because many beneficial medicines can do untold harm if taken too frequently or in too large quantities. It is well to stop and think that you may be taking your own life in your hands when you take medicine casually."

The State Health Officer also warned of the danger in the inclination of many persons untrained to diagnose and treat their own ills. Such persons are apt to guess wrong he asserted, and while they may not take medicine that is actually harmful, they are nevertheless postponing an accurate diagnosis and the resulting proper treatment that could help their illness.

The safest rule is never to use medicine, internally or externally, that has not been prescribed by your doctor and for that particular illness with which you are suffering.

Bufs Lose Cage Tilt to Texas Tech

West Texas State College Buffaloes dropped Friday night's cage tussle to the Red Raiders of Texas Tech by 16 points. The final score was 79 for Tech and 63 for the Bufs.

Tech's Raiders trailed by only one point at the end of the first period of play. When the half-time whistle blew the Buffaloes trailed 11 points. Towering Paul Nolen led the Raiders with a total of 17 points during the game. Ray Burrus, a tall freshman Buff from Canyon, was high point man for the evening with a total of 21 scores.

Six times during the game the score was tied up and the Raiders were in the lead seven times. A few seconds after the final quarter began the Raiders picked up the lead they never lost. Once during this quarter they held a 22 point margin but it began falling off when Coach Robison started substituting.

The Buffaloes have three more games on the card for this season. They play Arizona State College at Flagstaff and also at Tempe and end the season March 2nd with Arizona University at Tucson.

Keller-Quimby Wedding Rites Are Performed in First Baptist Church

MR. AND MRS. DARYL QUIMBY

A background of peach gladioli and greenery and seven branched candelabra bearing lighted tapers formed the altar decorations in the sanctuary of the First Baptist Church for the wedding of Miss Joyce Jean Keller, daughter of Mr. and Mrs. Marion A. Keller, to Daryl D. Quimby of Anchorage,

Alaska, son of Mr. and Mrs. John W. Quimby of San Diego, California.

Rev. Strauss Atkinson read the double ring ceremony Sunday, Feb. 15, at 3 o'clock in the afternoon.

Miss Ruth Ann Soll at the organ accompanied Miss Mary Frances Norman, who sang "O Promise Me," "Because" as pre-nuptial music, and "The Lord's Prayer" as the benediction. Miss Soll played the traditional wedding marches as the processional and recessional.

Mrs. Mickey King, who served her sister as matron-of-honor, wore floor-length orchid taffeta, styled with a fitted bodice with a bertha collar and with gracefully gathered skirt.

Gowned in a dress styled identical to that of the matron-of-honor, the bridesmaid, Miss Marilyn Keller, sister of the bride, wore yellow taffeta. Each attendant carried colonial nosegays of vari-colored carnations and sweet peas with streamers to match their gowns. Their headresses were taffeta bands matching their gowns and bandeaus of carnations, sweet peas and net matching their bouquets.

Mickey King was best man. Ushers were Joe Abbott, uncle of the bride, and Ben Abbott, cousin of the bride.

Escorted to the altar and given in marriage by her father, the bride wore white taffeta net and lace styled with a high neckline and long pointed sleeves. The scalloped yoke and sleeves were of chantilly lace. The lower bodice and skirt were made from nylon net over taffeta. Her bouquet was white roses centered with a white orchid atop a white Bible. Her "something borrowed" was her headress.

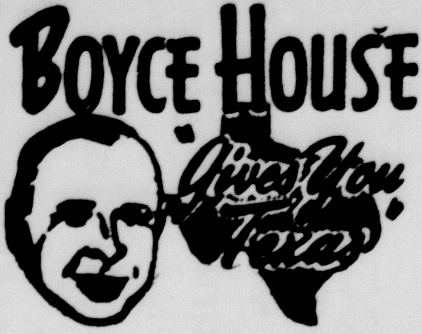

Mrs. Keller chose for her daughter's wedding a navy and gray gabardine suit with pink accessories. Her corsage was pink roses.

Following the ceremony the couple was honored with a reception in the home of Mr. and Mrs. D. A. Prichard. Guests were registered by Miss Joyce Moore. Mrs. Inez Prichard served the beautiful wedding cake which had been made and decorated by the bride's maternal grandmother and aunt. Alice Wilkinson presided at the punch bowl.

For the wedding trip to San Diego, California, the bride wore a light blue suit with red accessories. Her corsage was a white orchid.

Mrs. Quimby was graduated from Canyon High School in 1952. She is a freshman at West Texas State.

Mr. Quimby graduated from Herbert Hoover High School, San Diego, California. He is now stationed in Anchorage, Alaska, with the United States Air Force.

Here's a poem that, in humorous vein though it is, nevertheless suggests some of the hardships of pioneer days. It's called "Great Grandad" and is quoted from Jules Verne Allen's excellent book, "Cowboy Lore" by permission of the publisher, the Naylor Co. of San Antonio.

Great Grandad when the West was young

Barred his door with a wagon-tongue

For the times was rough and the redskins mocked,

And he said his prayers with his rifle cocked.

Great Grandad was a busy man, He cooked his grub in a fryin' pan

He picked his teeth with his huntin' knife

And wore the same suit all his life.

He was a citizen tough and grim Danger was duck soup to him; He ate corn pone and bacon fat, But his great grandson would a-starved on that.

Twenty-one children came to bless The old man's home in the wilderness;

But Great Grandad he didn't lose heart, For the dogs hunted rabbits and they ketch'd right smart.

Twenty-one boys and not one bad But they didn't get fresh with their old dad;

For if they had he'd a-been right glad Just to tan their hides with a hickory gad.

Twenty-one boys and tall they grew Strong and fat on the bacon too; They slept on the floor with the dogs and cats,

And they hunted in the woods for their coonskin caps.

They grew strong of heart and hand; The firm foundation of this land, Twenty-one boys — but his great grandson

Is having a heck of a time with one.

Harry F. Byrd, U. S. Senator from Virginia: "Under present practices, Congress ordinarily acts only on new appropriations requested, without exercising control over expenditures from balances in old appropriations."

Anthony Eden, Foreign Secretary of the United Kingdom: "... It was right in the beginning to have the neutralization policy ... the position ... was completely transformed once the Chinese Republic themselves became an aggressor."

Queen Juliana, sovereign of the Netherlands: "So soon after the worst of all wars ... we are struck by this disaster, which this time, however, was not caused by human corruption."

John Foster Dulles, U. S. Secretary of State: "We go away with the conviction that the Belgians and we look on problems of common interest ... from the same viewpoint."

James B. Conant, U. S. High Commissioner in Germany: "I hope to build on the sure foundations my predecessors so soundly laid."

The Dark Can Kill You

America's millionth traffic victim has been dead a year. Yet auto wrecks go right on changing our country crossroads into killer corners.

Where's the villain?

Some say "more cars on the road these days." Some point to "reckless youths" ... "lax laws" ... "drunken driving" ... "speeding."

But something else may be more to blame for auto accidents than any of these. Darkness. Plain old darkness.

Look at one case. In a Connecticut area 182 pedestrians were killed at night in two years—179 on poorly lighted streets.

Busy traffic centers are waking up fast, lighting their death-trap streets. Salt Lake City cut night deaths 92% in one area, Grand Rapids 78%, Bridgeport 93%.

Some small communities have been first to pick up the newest in lighting equipment. Oakwood, Ohio, has the largest installation of fluorescent street lamps in the country. And there's a broad-daylight look in Lyndonville, Vermont, even late at night. Fluorescent lighting as developed by General Electric has now been extended to street lighting.

Good street lighting has been a pet project of ours for years. General Electric engineers work with local officials on other community problems, too—traffic control, water shortage, waste disposal, farm and home modernization—wherever electricity can help progress. Impressive Double Ring Ceremony Read for Black-Jennings Wedding

MRS. JAMES NEIL JENNINGS

On Saturday evening, February 14, at 8 o'clock, Miss Peggy Ruth Black, daughter of Mr. and Mrs. R. O. Black of 602 East Tate Street, Brownfield, became the bride of Cpl. James Neil Jennings, U. S. M. C., son of Mr. and Mrs. R. Hershel Jennings of Canyon.

Alvin R. Jennings, brother of the groom, from Saskatoon, Saskatchewan, Canada, read the rites in the Crescent Hill Church of Christ, Brownfield.

The double ring ceremony was performed in front of an archway of tiers of candles, flanked by columns and basket arrangements of white stock and calla lilies. The aisles were outlined with candles and stock.

A musical program was rendered by a cappella choir from Broadway Church of Christ of Lubbock. Selections given were "Ah, Sweet Mystery of Life," "Through the Years," "Thine Alone," "Oh, From-

ise Me," and "The processional and recessional."

The bride's attendants wore floor length dresses carrying out a color theme of shell pink through rose to garnet wine. Candelights were Beverly Ann Brown of Brownfield and Freddy Ruth Lowe of Levelland. They wore shell pink net dresses with velvet criss-cross jackets and floral wristlets.

Bridesmaids were Misses Eloise McNabb of Harlingen; Peggy Bobo of Texas City; Lola Anderson of

Lubbock; Patsy Lewis, of Plainview; Linda Hudson and Sandra Bailey of Brownfield. They wore identical gowns of rose net with velvet jackets and rolled tiaras of matching velvet with tiny nose veils. Their bouquets were heart-shaped nosegays of pink, rose and garnet wine ranunculus.

Mrs. J. E. Eakin, Jr., of Brownfield, matron of honor to her sister, wore a costume blending with those worn by the bridesmaids in the garnet tone. Her arm bouquet was of pink gladioli.

The flower girl, Donna Sheryl Jennings, sister of the groom, wore a miniature of the bride's dress, in shell pink satin and tulle. She wore a heart shaped hat and carried a basket filled with rose petals.

Michael Black, brother of the bride, was ring bearer.

Ushers were Bill Miller and Irving SoRelle, Jr., of Canyon; Karl Meyers of Texas A&M; Oscar Dorsey of San Angelo; Bob Duke and J. E. Eakin, Jr., of Brownfield.

Entering on the arm of her father, who gave her in marriage, the bride was a picture of loveliness in a portrait model in ivory duchess satin, the neckline of which was outlined in a brocade of crystal and seed pearls. The molded bodice had long sleeves ending in points over the hands. The skirt, worn over hoops, featured a double pleat arrangement at the waist and terminated in a chapel train. A finger-tip veil of illusion attached to a bonnet of lace embroidered in seed pearls complemented the dress. For something old she wore her grandmother's wedding ring. She also had the traditional "something new, something borrowed, something blue—and a penny in the shoe." Her bouquet was of white roses and Fleur d'Mer tied with white satin.

For her daughter's wedding Mrs. Black wore a powder blue faille suit with matching hat, showered in rhinestones. Her accessories were of patent; her corsage of gardenias.

The groom's mother wore a silk suit in dark hyacinth with pearl pink accessories. She also wore a corsage of gardenias.

Misses Mary Moore and Willa Johnson of Brownfield assisted in registering guests at the church.

Following the ceremony, a reception was held in the home of the bride's parents. In the receiving line with the bride and groom were Mrs. Black, Mrs. Jennings, and Mrs. Eakin.

The bride's table was covered with a cloth of draped white satin over an organdy skirt and was appointed in crystal and silver. White tapers and the bridesmaids' bouquets decorated the table from which the three-tiered cake and punch were served.

Among the out-of-town guests

were those registered from Lubbock, Abilene, Plainview, Tulla, Canyon, Artesia and Clovis, New Mexico, and Saskatoon, Estevan, and Rosetown, all in the province of Saskatchewan, Canada.

The couple will be at home after February 25 in Laguna Beach, Cal., near Camp Pendleton, where the groom is stationed with the United States Marine Corps. The wedding trip itinerary will include points of interest enroute to their home.

For the trip the bride wore a beige and brown suit with natural straw accessories and a brown orchid corsage.

The bride attended Brownfield High School, Abilene Christian College in Abilene and George Pepperdine College in Los Angeles. The groom is a graduate of West Texas High School and of Abilene Christian College. He also attended Pepperdine College. He has been with the U. S. M. C. since December of 1951.

Latest Rumors From Political Front of Nation

The MacArthur plan for causing trouble to China's Communist rulers is to unfold gradually. End of the U. S. blockade against anti-Communist Chinese is just the first step in a series, most of which do not require approval of Congress.

Stalin more and more is delegating to satellite countries the job of supplying ships to service Communist China with war supplies. Military analysts conclude that Russia already is anticipating a blockade of Communist China and is getting set so that her ships will not be affected and so that she will not need to react violently.

There will be assurance to Great Britain that help of the United States will be given them if the Communists of China seek to take over British-owned Hong Kong.

John Foster Dulles, U. S. Secretary of State, is to do away with the setup of U. S. officials in Europe headed by William H. Draper, Jr., special representative with rank of Ambassador. Policy on economic and military aid, as well as in the field of diplomacy, will be run from Washington, not Paris.

Secretary of State Dulles has assured the French that the U. S. will not continue to use its influence to stir trouble for France in North Africa, where nationalist movements are strong.

Regular American ambassadors in Europe, who have been bypassed in the previous Administration by a variety of special ambassadors, will regain power and prestige under the new Administration.

Harold Stassen, Director of the Mutual Security Agency, is to inherit the so-called Point Four, or technical assistance program under a shuffle to come.

The President has in mind a plan to turn the National Security Council into a really top-level policy board to shape and guide national strategy in military and diplomatic fields. He has in mind a sort of super-cabinet job for the chairman of this group, which later might be filled by Governor Thomas Dewey of New York.

Charles Wilson, Defense Secretary, came under heavy pressure as a result of his order freezing new military construction projects. Some Republican Senators, hot for economy, strongly opposed cuts involving their home States.

U. S. Air Force, with a great many bases and installations to pass out, is in a highly favorable lobbying position with Congress interested in projects for the home folks.

George Humphrey, Treasury Secretary, is credited with convincing the President that price and wage controls should come off now. Humphrey already is emerging as the "strong man" of the Eisenhower Cabinet.

Joseph Dodge, Budget Director, is fitting more and more closely into the inner group at the White House upon whom the President depends heavily.

Arthur Summerfield, Postmaster General, is up against a powerful political organization among Post Office Department workers in his efforts to bring about more efficiency. Informed betting is that Mr. Summerfield stands a good deal less than a 50-50 prospect of bringing about the changes he wants, many of them proposed in a Hoover Commission report.

Herbert Brownell, Jr., Attorney General, has found that his first order backfired. A directive fixing precise times for starting, stopping and taking lunch gave the impression that Department of Justice lawyers were soldiering on the job. Many who had been putting in overtime without pay now make it a point to do no more than the Brownell directive requires.

Take Care!

Are you worthy of having the privilege of attending such a top ranking school as Canyon High School? You think so. Maybe you are but the student who does not participate in the constant drive for care of the buildings and grounds is not.

Cooperation of each student is necessary if our school plant is to be kept in good repair and a clean condition. No small part of the school budget is allotted for equipment, supplies, repairs, and maintenance.

Canyon High is our school and we should take a personal pride and interest in the physical plant which has been provided for us.

Here are some suggestions to follow in helping take care of the schools.

Paper should be placed in waste baskets provided for that purpose inside and outside the buildings.

During the noon hour papers and rubbish should be placed in containers, which are always accessible for our use.

Care should be taken to prevent unnecessary marks on walls and furniture. This is especially true of school desks.

Chewing gum should be placed in the waste basket; never stick it under desks, tables, or chairs. Refrain from chewing gum in class, library, or study hall.

All pupils should take pride in the appearance of our school campus. What flowers, grass, and shrubbery Canyon has is a pleasure and enjoyment. Let us all remember that to keep our school in top ranks we must keep in mind these few rules of care for our school and grounds.

CHS Code

A congratulation is due the student body and the patrons of our school for the excellent type of sportsmanship they showed at the ball game Saturday night. "I thought the display of good sportsmanship on the part of our school students and the citizens of our community was exceptional. I noticed several students who succeeded in stopping other fans from 'booing' when a questionable decision was called on the player," said Mr. Miller.

Although our main sports are over, we can still continue to conduct ourselves in this outstanding sportsmanlike manner. Interscholastic League events are coming up and we can carry on our good sportsmanship throughout these activities.

The first section of our new code says "Be courteous to officials and accept their decisions in a sportsmanlike manner." Could this not be applied to all of our competitive activities?

Next, "During tedious moments silence is golden." Are there no such moments in all activities? Also, "booing" is the worst form of sportsmanship known to the American public. On no occasion is it proper to boo an official, he calls the game as he sees it, not you.

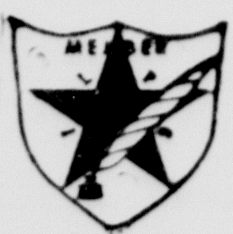

"Every game is of vital importance to someone." Yes, a game is just as important to the opposing side as it is to our side. Please remember this, "Cheer your team to victory if you can, but accept the defeat in a gracious manner." The defeat Saturday night was accepted in a gracious manner.

The fine cooperative attitude of the students, officials, faculty, school administration, and community patrons in the ball game Saturday night is what makes Canyon High School ranked exceptionally high in sportsmanship. Keep up the good work.

Ole' Cal really feels rough this week. Dust, dust, and more dust has filled the halls and streets around Canyon High School. Cal has almost decided that the little town of Canyon needs to be called the "Dustbowl."

Rock-a-bye Senior on the tree top.

As long as you study your grades will not drop; But if you stop working your standard will fall. And down will come Senior diploma and all.

This is a little poem that Cal thinks would be nice to send along to all the seniors of Canyon High. It was taken from the "suggestion box" of the Slaton Tiger's Cage.

Junior Who's Who Chosen by Faculty

Six outstanding members of the Junior class were selected on the 1952-1953 Junior Who's Who Friday afternoon when the faculty met to select these students.

Sue Keeling, Wanette Green, Dorothy Neblett, Ted Briggs, Joe Watson, and Charles Miller were the members placed on the honor list. A picture of these students will appear in the high school annual.

Eagles Capture Conference Tilt

Victory for the Canyon Eagles. A crew was the final outcome of the Canyon vs. Floydada game, as the Eagles flew through the Whirlwinds 70-56, February 17, in the WT fieldhouse. The Eagles moved off in the lead at the beginning of the game and stayed ahead.

A C. Wimberly was high scorer with 17 points. Tom Middleton made 15 points count. Lynn Williams 9, Guy Hamblen 10, Dick Dawdy 8, Don McDonald 6, and Arlen Ruthart 3. Ed Money and Charles Miller each scored one point.

This game was the last conference game for the Eagles before the district playoffs between the Eagles and Hereford.

Jackets Arrive!

They're here! The long anticipated event has at last arrived, and it was well worth the waiting. The '52-53 football-basketball jackets are gray wool with sleeves of bright purple. All boys on the A team and all A substitutes are proud to receive their jackets.

The B team has ordered sweaters which will arrive in the near future. The band has ordered reversible jackets, and they are expected to arrive soon. The journalism class will order their sweaters soon.

Boys Ensemble Sings For P-TA Thursday

Five members of the sixth period Boys' Ensemble sang three numbers at the meeting of the Parent-Teachers Association Thursday night.

Opening the program the quintet sang "How Much Wood Would a Woodchuck Chuck if a Woodchuck Would Chuck Wood." Following this a quiet dreamy number was presented, "Softly at Nightfall, the Moonlight Comes Stealing," and concluded this part of the program with "Rollin' Down to Jordan," a Negro spiritual.

Don McDonald, John Miller, Ed Money, Ralph Green, and Bob Wilkinson are the boys who sang. They were directed by Miss Ada V. Clark.

Peppard Starred In Girls Operetta

"Margie Goes Modern," a one act operetta starring Shirley Peppard as Margie, was presented by the members of the girls' chorus Wednesday in the high school auditorium.

The story takes place in an institute of art where the girls are competing for a medal which is awarded each year to the girl making the best sketch. The story is built around Margie and the girls at the institute who help her to win the special award.

The part of Margie was played and sung by Shirley. Students at the school were played by Patty Wallen, Carol Ann Holman, Jerry Matsler, and Nancy Kay Tomlinson. The director of the institute is played by Virginia Leake. The trustees of the institution were portrayed by Opal Campbell, Charlotte Crain, and Joan Payne.

Other members of the cast were Martha Steen, Clydeen Mitchell, Beverly Soll, Jacky Matsler, Nancy Riley, Janis Wright, Arlene Johnson, Joy Mayberry, Carolyn Brasher, Wanda Rogers, La Donna Keller, Carolyn Measamer, Mary Garver, Laura Smith, Joyce White, Barbara Bagley, Rachel Maynard, and Winona Winters.

Miss Neelley's art classes provided paintings for the set. The girls' chorus has been doing fine work this year under the direction of Miss Ada V. Clark.

FTA Plans Trip To State Meeting

At the monthly meeting of the Future Teachers of America, Feb. 16, in the home of J. C. Keeling, a trip to the FTA state meeting at Denton was discussed.

This meeting will be held March 7th but members will leave March 6th and arrive back on the 8th. Only nine of the 26 FTA members will be able to go because of transportation facilities. Members to be going will be decided by the number of points each has earned. Transportation will be provided by Mrs. Tom Beard, sponsor, and Mrs. L. E. Gum.

The group also discussed the selling of stationery. Price of the stationery has been reduced from one dollar to 75 cents. It has a picture of an eagle and the words "Canyon High School" on the envelopes and sheets.

Junior Lions Are Dinner Guests

Junior Lions are being selected from the senior class to attend the meeting of the regular members of the Lions Club held in the Methodist Church every Wednesday. J. E. Miller, sponsor of the Student Faculty Congress, said John Miller, president, has concurred on the selection of these boys.

To be chosen as a dinner guest of the Lions Club is an honor to the individual boy. He has the opportunity of witnessing the program and hearing the civic group discuss its problems. The visit gives him an insight as to what is going on and what the club is for. If, in later life, he decides to become a member of the Lions International, he has already been introduced to the business transactions of the club.

Those boys who have visited the club are Bob Hood, Dick Dawdy, A. C. Wimberly, and Tommy Myers. John Miller, Guy Hamblen, and Dan Gaynor are scheduled to make visits during February and March. The basis for selection is good school citizenship, passing in all work, and fair-mindedness.

Student Body Lauds Sportsmanship Code

A new Code of Rules for CHS Sportsmanship was presented and accepted by members of the student body Friday in the auditorium as students gathered for an important assembly before the district game with Hereford.

Rules adopted by the students were: Be courteous to officials and accept their decisions in a sportsmanlike manner. During the free throws "silence is golden." "Booing" is prohibited. Courtesy is expected, whether interested or not. Cheer your team to victory if you can, but accept defeat in a gracious manner.

Principal Miller gave a short talk about CHS sportsmanship. "The referee doesn't win or lose a game for us," he said, "he calls as he sees it. Develop sportsmanship and be proud of our boys, win or lose. The best team will always win."

The basketball players were recognized and received a loud ovation.

Medicine is the only profession that labors incessantly to destroy the reason for its own existence.

Eagles Are Runners-Up for District Title; Lose in Play-off to Hereford

MENUS

Thursday, Feb. 26: Hamburger patties, buns, sliced tomatoes, potato chips, pickles, doughnuts, and milk.

Friday, Feb. 27: Fish fillet, pickle-cabbage salad, creamed potatoes, bread, butter, cherry cobbler, milk.

Monday, March 2: Macaroni and cheese, green beans, congealed fruit salad, bread, butter, spice cake, and milk.

Tuesday, March 3: Ham, sweet potatoes, English peas, lettuce and tomato salad, bread, butter, grapefruit section, and milk.

Wednesday, March 4: Hot dogs, chili, mustard, onions, fudge cycles, and milk.

In the last District 2-AA conference game of the season, the Canyon Eagles were outscored by the Hereford Whitefaces, 42-57, Feb. 21, in the Friona High School gym in Friona.

The Whitefaces and Eagles took turns leading during the game; although the Whitefaces were leading when the final bell sounded. At the end of the first quarter the Whitefaces were in the lead by one point. The Eagles caught the Hereford quintet by the end of the second quarter and was in the lead until the fourth quarter. Lynn Williams, Guy Hamblen, Tom Middleton, Dick Dawdy, A. C. Wimberly, and Clifton Newberry, all seniors, have just completed the last game they will play for Canyon High.

'Finders Creepers' 1953 Senior Play

"Finders Creepers," a mystery-comedy in three acts, will be presented by the senior class of CHS on Thursday and Friday, March 26 and 27.

Tryouts were held Monday and Tuesday of this week, and parts will be announced later.

Last week the seniors held a class meeting for the purpose of measuring for caps and gowns. Invitations and cards have also been ordered.

During the Fat Stock Show Saturday the seniors sponsored a booth for selling coffee, sandwiches, and candy. Preceding this a bake sale was held, sponsored by the class.

Committees for the exciting climax of the senior year, the annual trip, are planning and searching for the best possible places to visit. A gift committee is working to decide a practical gift for the school.

Colwell Wins DAR Honor

Canyon High School's Good Citizen, Sarah Jane Colwell, was the district winner in the annual good citizenship contest sponsored by the Daughters of the American Revolution. In the finals, the Good Citizen from Crozier High School, Dallas, was the State winner.

"May I congratulate you on the fine type of girl you entered in the contest," said the state chairman, Mrs. J. J. Creekmore, of Texarkana.

Sarah Jane was selected by the faculty after a preliminary election by the senior class. Carol Rose, Nancy Bolton, and Sarah were selected from the senior class.

Parker Receives Third Place Award

Foster Parker, CHS sophomore, placed third in the Area 1 FFA Judging Contest in which 126 boys competed at Pampa February 16. The Canyon boys, Larry Porter, Doyle Bourn, and Foster Parker, placed fifth out of 42 teams in the contest.

Pampa Chamber of Commerce gave a banquet with the presentation of a three hundred dollar "Top-O-Texas" award given each year by Frank Carter, West Texas cattleman, for outstanding leadership and agricultural prospective. Don Brothers of Paducah received this award.

Jack McCormick, Canyon FFA reporter, served as an alternate on the Canyon team.

Hornets Win Over Eaglettes 41-45

Canyon's Eaglettes A team was overthrown by the Tulia Hornets 41-45 Thursday at Tulia. The Eaglettes were off to a good start at the opening stanza but it seemed as if they could not hold the Hornets back, and with the start of the second quarter the Hornets led.

Martha McBroom made 21 points to grab high point honors. Joann Mickey connected for 6; Peggy Bonds 10, and Rhea June Ford 4. Guards seeing action were Bettie Glanton, Betty Burrus, LaRue Davis, Dovie Keene, and Marieta Sanders.

The Eaglettes' last conference game will be played February 26 against Floydada in the Canyon gym.

Educational Association Affiliates Canyon High in 52-53 Membership

A major factor of the high rating given Canyon High School when it was accepted as a member of the Southern Association of Colleges and Secondary Schools was due to cooperation of the faculty and student body. This effectiveness came as a self-evaluation study conducted in the local system for one and one-half years preceding the membership application. Faculty and student body worked cooperatively to evaluate standards attained and plan for constant improvement.

The object of the school is to promote the development of the individual for social, economic, and personal living as a participating member of a democratic society. Membership in the Southern Association of Colleges and Secondary Schools indicates a system alert and continually concerned with the changing needs of the people it serves. More than ever before, the purpose of standards to be met has been to contribute to the continuous improvement of the schools.

The school maintains a three-way effectiveness contributing to its purpose and progressive growth.

In a notably well prepared faculty, the high school has 16 instructors with masters degrees. All other members of the faculty have bachelors degrees. Each teacher on the staff is instructing in either the major or minor field in which the individual is prepared.

The student body has a wholesome attitude conducive to good citizenship. It is cooperative in all phases of the school program and extra-curricular clubs growing out of class work. The student body maintains an excellent quality of class work.

Community backing of school activities is outstanding. The school board carries forward plans for improvement of plant and progressive policy development. Co-operative patrons serve on committees.

mittees which tend to improve the school system.

Canyon High School is a superior school. It serves its student body efficiently in the variety of courses offered. Percentage of college entrants is far above the average.

Courses offered in Canyon High School and the number of accredited units in each are: English, 4; social studies, 3½; mathematics, 5; foreign language, 2; pure science, 4; business administration, including occupations, 5; vocational agriculture, counting farm engineering, 5; homemaking, 5½; industrial arts, including mechanical drawing, 2; and shop work, 4; physical education, 1; music, 4; public speaking, 1; safety and driver education, ½; art, 1. This makes a total of 47½ accredited units.

These courses are those listed in the latest public school agency and public school directory giving a list of accredited schools for 1951 and 1952.

Of the total of 54 graduates of Canyon High School for 1952, 39 attended college. This number as compared with the total class membership is well above average.

Indicating the holding power of the school, is the low percentage of drop-outs. For the school year 1951-1952, there were 24 drop-outs. This number moved to another community. This drop-out average is approximately 7% for that representative year.

Mrs. Clyde W. Warwick, Regent for the Esther McCray Chapter of the DAR, Amarillo, left Monday with four delegates from the chapter to attend the State meeting held in Fort Worth.

Mrs. M. E. Cantrell returned Friday from Houston where she has been visiting with her husband, who recently accepted a job there. She hopes to move to Houston next week.

HHS Juniors To Give "Demon in the Dark" Friday

The Junior Class of Happy High School is presenting their annual play, "Demon in the Dark," on Friday night, February 27, in the Happy High School Auditorium.

The setting is on White Owl Island in the Baratarian Bay — just off the coast of New Orleans.

Sondra and Ethelind Trevor, played by LaQuitta Patterson and Wanda Gross, have come to Look-out Lodge to spend the summer because Sondra is confused by her suitors. Accompanying her are Lizzy Scruggs, her spinster housekeeper, played by Helen Hayes, who constantly suffers from a cold, her darky cook and chauffeur, played by Mickey Bryan and Chas. Akins, who are terrifyingly superstitious and scared of the "haints."

The caretakers of the inn, Mr. and Mrs. Duncan McTavish, played by Red Oler and Mary Brazil, seem mixed up in the wol hoots, creole women, and crawling hand affairs. They have a daughter, Mary, who is hysteric and a cripple because of the ghosts, impersonated by Faye White.

Sondra's suitors, Deryk Vorse and Bob Hildrith, accidentally arrive at White Owl Island and try

to outdo each other while there. These characters are portrayed by C. J. Greenfield and Bob Henry, respectively.

Of course in the play comes the big surprise — The Demon.

The Juniors would like to invite everyone to attend their play. They have worked very hard and would like to have a good crowd. Tickets are on sale at Whites Cafe and from any member of the junior class in Happy.

MRS. LEWIS HARVEY HOSTESS TO WESTSIDE H. D. CLUB

The Westside Home Demonstration Club met in the home of Mrs. Lewis Harvey Wednesday, Feb. 18. There were five visitors and nine members present. The president, Mrs. R. A. Burrus, presided.

"Home on the Range" was the opening song. Members answered roll call with selected subjects, the club constitution and by-laws read, and adopted. Mrs. J. B. Hager gave the council report and recommendations. Each member read a poem. Mrs. Ray Metcalf was in charge of the recreation.

Refreshments were served to visitors, Mesdames R. C. Nicholl, G. W. Rose, J. N. Seay, T. E. Brown, R. O. McKay, and members, E. T. Zachry, R. A. Burrus, Lewis Harvey, J. B. Hager, H. W. Burrus, E. W. Bourn, T. J. Myers, Ray Metcalf, B. A. Burrus.

Just Between You, Me and . . . the Gatepost

(By Lawrence Hunnicutt)

Adlai Stevenson, Democratic nominee who lost the presidential election last fall, recently trimmed an adage to fit his cause. At a recent \$100 per plate banquet Stevenson had a relaxed smile as he said, "To the victor belongs the spoils." So, while Eisenhower toils with the red tape of big government, Stevenson is trying to patch up the breaks that practically disintegrated the Democratic party last fall.

Wonder how many people recall the old joke about the young swain's proposal and the strong indirect answer he got. It goes something like this:

He asked her to marry him and she said, "Go ask father." She knew that he knew that her father was dead. She knew that he knew what a life he had led. She knew that he knew what she meant when she said, "Go ask father."

A play is being planned for the Children's Summer Theatre that will probably interest young and old alike. Eugene Hill, who is to direct the play, said that 7th, 8th and probably some 9th graders will appear in it. There will be only one adult in the play and this will be King Midas. The play, to be given in March or April, is titled "King Midas and the Golden Touch."

Is the Branding Iron Theatre grooming a great actor? This is one of the questions many of the students are thinking about as Dick Houston plans to go to New York and Broadway. Dick has an enviable series of successes in the Branding Iron Theatre and was one of the "All Star Cast" recently selected by Buffalo Masquers. Thursday afternoon he said he had made plans to leave for Broadway but had changed his mind because of engagements in this locality. Dick said he would probably leave for New York in August.

Last week was a big one for Canyon. Saturday being the day that the sixth annual Randall County Junior Livestock Show was held. Authorities who took part in the judging of the livestock and saw the results of the boys work this year agree that the organization is making agricultural and livestock progress.

This year our parade of local people singles out Mayor Andy Walsh. Andy has been in Canyon for the past 27 years. The past 18 years he has been associated with Phillips Petroleum Company. He operated a service station on the highway for 14 years and has been in his present position as wholesale distributor for four years.

Both Andy (he prefers Andy to the more formal A. L.) and his wife are civic minded. She is a teacher at Canyon Grade School, teaching the 5th and 6th grades.

Andy himself is a charter member and past president of the Canyon Lions Club. He is a World War I veteran and has twice been the commander of the American Legion Palo Duro Post No. 97. He belongs to the Canyon City Club and enjoys golf but comments that his score is not so good as it used to be. The Mayor, who is in his second term in that capacity, also enjoys fishing and hunting.

Mr. and Mrs. Walsh belong to the First Baptist Church. They have one son, Dr. A. L. Walsh, Jr., who is practicing in Lorenzo.

Occasionally there's a strong bite in the spice of life. The strong flavor is probably necessary to make people enjoy the milder flavors. So that you may enjoy the first part of the column more by reading the last part, we toss in that tid-bit known as Chirps of Wisdom.

Little Johnny's father asked him why he skipped school so much and little Johnny answered, "Oh, class hatred I suppose."

Why should anyone care which side his bread is buttered on, he eats both sides anyhow.

One person's definition of a bachelor: "A man who will get married when he finds a girl who loves him as much as he loves himself."

Herschel Coffee To Be Introduced as Rotary Governor

Rotarians from Canyon are planning to attend the annual Conference of the 183rd District of Rotary International from March 5 through March 7, in Borger, C. Boone McClure, president of the local Rotary Club, said.

Representatives from the 36 other Rotary Clubs in the area of West Texas from Sweetwater to Odessa and all the territory north of those cities to the Oklahoma line, which make up the District also will attend the Conference. This series of meetings is held each year to review Rotary service activities and to make plans for increasing their effectiveness.

The principal current activities of the Rotary Clubs in this District include the Spastic Hospital for crippled children at Lubbock, the Harvest Festival and the numerous Community Service activities growing out of it at Brownfield, the First Boys' Ranch at Amarillo, the annual County-wide Tennis Tournament at Borger, the International Service program at Odessa through the use of subscriptions to the Rotarian magazine sent to other lands.

Director Lamar Gidden of Tunica, Mississippi; Past Vice President Carl Bolte of Kansas City, Missouri; Rotarian Roberto de la Rosa of Monterrey, Old Mexico; and Rotary Committee Chairman Dan Procter of Chickasha, Oklahoma, will be the principal speakers at the Conference, speaking on Rotary subjects. District Governor Alton B. Chapman of Floydada, District Judge of the 110th Judicial District of Texas, will preside at the Conference sessions.

H. S. Benjamin of Borger, who is in charge of arrangements for the District Conference, is also planning golfing for Thursday p.m. and a special Rotary Ann luncheon on Friday and an industrial tour for Saturday afternoon.

At the Conference District Governor-nominee J. Herschel Coffee of Canyon will be introduced as Governor of this Rotary District for the 1953-54 fiscal year. He will take office as Governor on July 1, and will be the official representative of Rotary International, the world-wide organization of all Rotary Clubs, in the 183rd District.

Demon Five Wins 1-AA Cage Crown Over Blackhawks

E. A. Wooten, former superintendent of Canyon public schools who went to Dumas last fall to take over the helm of that system, returned to Canyon Friday night to see the Demons become District 1-AA basketball champs by defeating the Phillips Blackhawks 50-48. Approximately 1,000 fans witnessed the highly emotional tilt.

A gloom of sadness reigned in the Blackhawk camp while gleeful happiness was prevalent in the Demon ranks.

The thing that tipped the game in favor of the Demons was a foul assessed against Phillips with less than two minutes to play. Billy McDonald, Blackhawk center, was fouled. When he voiced his objection to the referee a technical foul was called. Danny Beilue made two of the three free throws for the Demons to give them a four point lead with less than a minute and one-half of the game left.

Blackhawk forces rallied enough to pick up two more points but time ran out on them when they still trailed by two points. It was the third time Dumas had defeated the Blackhawks in four games.

The game placed Dumas in first place in District 1-AA and they defend their title against the Stamford team, District 5-AA champs, at Lubbock Friday afternoon at 4:15 o'clock.

Intercollegiate Rodeo To Be Held In April On West Texas Campus

April 11th and 12th has been approved as date of the annual rodeo at West Texas State College by the National Intercollegiate Rodeo Association, governing body of college rodeo competition in the nation's college and universities.

Approval by the rodeo association allows points earned by contestants from the other 45 member schools to be used in nation wide competition for team and individual honors. Team champion, individual event leader and all-around champion cowboy are named annually by NIRA. The association has 500 contestant members in the member schools.

In the Sam Houston State College, Huntsville, rodeo two West Texas State cowboys placed in two events. Dick Doyle was fifth in bareback bronc riding and Bill Karr was fourth in calf roping. Prison rodeo stock was used at this rodeo.

Purpose of the association is to promote intercollegiate rodeoing on a national scale, promote closer relationship among the collegians interested in rodeo and the schools they represent, establish and maintain standards for conducting intercollegiate rodeos competition, increase and maintain interest of college students in this activity and other functions of the west, to attract prospective college students to enroll in the various

schools represented by NIRA, and to assist members in their NIRA functions.

Dick Barrett of Hardin-Simmons University, Abilene, was last year's all-around champion cowboy and Sul Ross College, Alpine, was team champion. Barrett is also NIRA president for the second year.

The recent pleas from President Dwight D. Eisenhower have failed to slow down the tax-cut drive in the House of Representatives. Chairman Daniel Reed, of the Ways and Means Committee, is going ahead with bills designated to give tax relief this year, some on July 1st. The New York Republican had announced prior to President Eisenhower's speech calling for a balanced budget first and lower taxes second that he would do everything possible to bring about immediate tax relief. Prospects for passage of Reed's tax-cutting bills appear to be good but chances of passage in the Senate are not thought to be as bright.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

American admen are reputed to be the world's greatest creators of clichés and slogans designed to sell a bill of goods.

Yet, London slogan makers do very well when the stakes are huge.

London has come up with a new dandy in "Trade-Not-Aid."

It's a catchy slogan in the best Churchillian style, condensing this thought: "The C. W. Harder United States should eliminate import tariffs so British goods can flood the American market, replacing U. S. business output and U. S. employment!"

In the November election returns, the British realized American voters registered a protest against the continuation of vast tax-wasting inflation-causing foreign give-away programs.

Therefore, British policy makers launched this slogan.

Among the first to sound the alarm in Washington was Sen. George W. Malone (Rep., Nev.)

"Workingmen and investors of this nation," he states, "have been alarmed and mystified by the flood of canned editorials, articles in national magazines and one economic world columnists mouthing with surprising similarity the trade, not aid catch phrase. 'It is now clear,' the Senator says, 'that the bombardment for the division of the markets of this nation with the low wage living standard labor of Europe and Asia is being directed by the sterling bloc countries led by England using Marshall Plan Funds.'"

British policy makers consistently refuse to recognize why the American market is by far the world's richest.

In Britain, and all Europe, widespread ownership of automobiles, television and radio sets, mechanical refrigerators, and other conveniences is unthinkable. Vast monopolies, or cartels, control the markets. In doing so, they make it impossible for mass ownership of goods, but at the same time they prevent any independent firms from entering any given industrial field and taking a share of the volume away from the cartel in control of that field, even though new employment and wealth would be created.

In Washington a substantial group takes this attitude. It was thought American dollars would help Britain and Europe to prosperity. Despite billions spent the job was a failure. Now Europe wants to flood the American market with cheap, foreign goods. That, too, would fail.

This group believes there is only one solution to the British and European problem. That is for them to adopt the very same American anti-trust laws that they, allied with U. S. internationalists, have been feverishly working to tear down.

Years ago General Douglas MacArthur said "America is a rich storehouse that any nation would like to plunder."

General MacArthur did not distinguish between friendly or enemy nations. Today, so-called friendly nations are engaged in a drive to plunder America, with the excuse their own survival depends upon it. Yet, they have never tried to adopt the free enterprise system that has made America worth plundering. Failing to do so, they are now in the position of saying "Let's all commit suicide together."

British policy makers consistently refuse to recognize why the American market is by far the world's richest.

WRONG NICKNAME

When William was getting ready for college he told the family, "I wish you all would stop calling me 'Big Bill'."

"Why?" they asked. "College names sometimes stick, and you know I am going to be a doctor."

COALS TO NEWCASTLE

"Yes," said the guest, recently discharged from service, "I spent two years in Alaska."

"Too bad," sighed the hostess, "we're having salmon for dinner tonight."

ABOUT PINK ELEPHANTS

Representative Usher L. Burdick North Dakota Republican member of the House of Representatives, offers constituents a challenge to prove there is a beneficial contribution made to society by intoxicating liquor. The ex-footballer says he will show anyone proving such a point a pink elephant.

FOR THE CHILDREN

"What's the enormous package, Henry?" asked the housewife.

"That's the economy size bag of peanuts," said the man, "a hundred pounds."

Bible Verse to Study

"Know ye that the Lord he is
God; it is he that hath made us,
and not we ourselves."

1. Who is the author of the
above verse?
2. What does this verse warn us
against?
3. What is the rest of the verse?
4. Where may it be found?

Bible Verse Answers

1. The Psalmist—probably King
David.
2. Against the sin of worry.
3. "We are his people, and the
sheep of his pasture."
4. Psalm 100: 3.

Nearly all men die of their medi-
cines, not of their diseases. —J. B.
Moliere.

We're Always Hunting Trouble

THE BEST TIME TO STOP TELEPHONE TROUBLE is before it
starts, so the hunt for possible trouble goes on through the
night. Wires are checked with electronic testers (above).
Sensitive switching equipment is vacuum-cleaned. Every pos-
sible precaution is taken to make sure that you will have
instant service whenever you want it — day or night. As a
result, the average telephone gets out of order only once in
24 months. Only in America can you find such a telephone
service record. And only in America can you get such de-
pendable service for less than the cost of a package of ciga-
rettes a day. SOUTHWESTERN BELL... A TEAM OF 28,000 TEXANS

Only Gas Dries Clothes Faster

...at less cost

Gas for automatic clothes drying is much
faster than any other method... as much
as 15 times faster than the old clothes
line routine. Lightweight fabrics are
ready to iron in 15 minutes, completely
dry in 20 minutes. As for blankets... you
can count on 4 minutes in a Gas dryer for
every hour on the line. And don't forget,
it costs less than one cent to dry a load
of clothes with Gas. See the modern auto-
matic Gas clothes dryers at your dealer's.
